VACANCY
HEAD OF IT

LAKE HOUSE

As the Head of IT at the Lake House, you will play a pivotal role in shaping the company's IT strategy and ensuring the seamless operation of our technology systems. You will lead a team of IT professionals, set the vision for our IT infrastructure, Electronic systems & Network and implement cutting-edge solutions to enhance our operations and support our growth.

QUALIFICATIONS AND REQUIREMENTS:

- Bachelor's degree in Computer Science & Engineering, Electronic Engineering, Computer Science & Networking or a related field. Master's degree preferred
- 10 years of experience in relevant field including 05 years in a Senior IT leadership role
- In-depth knowledge of IT infrastructure, cyber security, cisco and emerging technologies
- Strong problem-solving skills and the ability to make critical decisions in a fast-paced environment
- Excellent communication and interpersonal skills to collaborate with cross-functional teams and external partners

DUTIES AND RESPONSIBILITIES:

Strategic Leadership:	Develop and execute the company's IT strategy, aligning it with the overall business goals and objectives.
Team Management:	Lead, mentor, and inspire a team of IT professionals, fostering a culture of excellence and innovation.
Infrastructure Management:	Oversee the management of our IT infrastructure, including networks, servers, and data storage, to ensure optimal performance and scalability.
Security and Compliance:	Implement robust security measures to protect our systems and data, and ensure compliance with relevant regulations and industry standards.
Technology Innovation:	Stay updated with the latest technology trends and drive innovation by evaluating and implementing new solutions that improve efficiency and competitiveness.
Budget and Resource Management:	Manage the IT budget, allocate resources effectively, and control costs to maximize the return on investment.
Vendor Relationships:	Collaborate with technology vendors, negotiate contracts, and manage third-party partnerships to support our IT needs.

If you are a visionary IT leader who is passionate about technology and ready to make a significant impact, we encourage you to apply. Please submit your resume and a cover letter detailing your relevant experience and qualifications to *careers@lakehouse.lk* with the subject line "Head of IT- Application - [Your Name]." on or before 20th November 2023.
