

Push Boundaries and Build a Great Career

NEXT Sourcing is a wholly owned subsidiary of NEXT plc. We provide around 40% of NEXT Brand stock from our global supplier base, sourcing from 18 countries. From Istanbul to Shanghai, our sourcing teams live and work in some of the most iconic cities in the world. They're at the heart of finding, developing and delivering products our customers love.

Working at Next Sourcing means working with over 4,000 talented individuals across 12 countries, including 2,700 employees in our factories. The roles and countries in which we work are both incredibly diverse, we specialize in creating great products or creating new connections and are right at the heart of shaping the success of the business. It's a fast paced company using passion, personality and experience within the clothing sector.

As a part of our business expansion, currently we are looking for a suitable & qualified candidate for following position.

Production Merchandiser
