

NATIONAL SCIENCE AND TECHNOLOGY COMMISSION
(Ministry of Education)

Vacancies: Research Officers (RO)

The National Science and Technology Commission (NASTEC) is the apex body for advising the government on the formulation of science and technology policies, plans, and strategies. The Commission, established by the Science and Technology Development Act No. 11 of 1994, currently functions under the purview of the Ministry of Education.

NASTEC invites applications from citizens of Sri Lanka to fill the following position.

Research Officers (RO) -03 Posts: on a 6-month contract basis to assist the scientific staff at NASTEC on various science policy study-related activities. This is a renewable contract at the end of the term that is subject to the sole decision of the Commission.

Job Description:

- Survey Design
- Science & Technology data collection and data entry
- Basis data analysis (descriptive)
- Assist in coordinating S & T institutional reviews.
- Assist the review team with logistics arrangements.
- Support the study teams on various technical reports compiling activities
- Coordinating the consultative fora activities
- Any other activities assigned by the Commission

Required Qualifications: Basic degree in sciences with any subspecialties (a four-year degree with a research component).

An applicant with proficiency in English and report-writing skills would have an added advantage.

Age : Below 28 years

Allowance : Rs.45, 000 per month (Fixed) (on Contract basis)
