

VACANCY ANNOUNCEMENT

IOM, a related Organization of the United Nations, and the leading UN organization in the field of migration, is looking for prospective candidates for the following positions.

Vacancy Number : **CN29/2024 & CN30/2024**

Position : **NATIONAL CONSULTANT**
(Migration, Environment & Climate Resilience) - **2 positions**

Expertise : **DISASTER RISK ASSESSMENTS FOR CONTINGENCY PLANNING**

Duty Station : **HOME BASED WITH TRAVEL**
(refer to IOM website – career page for more details)

Requirements : **COVER LETTER, CV AND TECHNICAL & FINANCIAL PROPOSAL**
for application

Deadline : **15 DECEMBER 2024**

TASK: Conduct an inclusive risk assessment to identify specific needs of stakeholders and communities (disaggregated by sex, age, and disability) on multi-hazard scenario-based contingency planning.

Timeline for the task is 3 months.

The successful candidate must hold a Master's Degree / University Degree in Climate Change, Environmental Science, Disaster Management, Development Studies or a related field from an accredited academic institution with preferably, 5 years of relevant professional experience; or Minimum of 7 years of relevant professional experience with a Diploma or equivalent qualification in the above fields. Minimum of 05 years of experience in the field of disaster risk reduction/emergency preparedness/contingency planning is required. Prior experience in conducting all-inclusive needs-based assessment/disaster risk assessments in relation to emergency preparedness or multi-hazard contingency planning at community level in Sri Lanka is highly desired. Experience in implementing community level emergency preparedness/Disaster management projects, as an individual or preferably, in partnership with Civil Society or Community Based organizations. Work experience with a UN organization or an INGO, in similar line of work and in close coordination with Disaster Management Centre and the National Disaster Relief Service Centre will be advantageous. Ability to submit a brief of the prior work/projects undertaken with references, effectively engage with diverse stakeholders, navigate evolving circumstances ensuring accuracy of outputs, and adept time management is required. Excellent writing and communications skills are required.
