Job Description

Perform assurance engagements to evaluate the adequacy and effectiveness of the systems of internal control, risk management, governance process and the quality of performance in order to support achievement of the Annual internal audit engagement plan approved by the Audit Committee.

Key responsibilities will include:

- Plan each engagement with regard to time frames, scope of work, nature and extent of checking in consultation with the Assurance & Advisory Services Manager in order to ensure that work is carried out in a timely and efficient manner to achieve effective results.
- Design engagement programmes with detailed audit procedures to provide a reasonable assurance that engagement objectives have been achieved.
- Assist in policies and procedure reviews in order to evaluate the adequacy of the system of internal controls that are being established by the management.
- Identify, analyze, evaluate and document sufficient and appropriate audit evidence that provides a reasonable basis for engagement findings.
- Discuss the summary of observations with departmental management in order to arrive at a reasonable conclusion and communicate the results of the engagement by way of a draft report to ensure engagement findings are reported on an objective, clear, concise, constructive and timely manner.
- Complete Working Paper files according to currently applicable internal auditing standards and internal departmental guidelines.
- Carry out any other special assignments/agreed up-on procedures/projects/risk management reviews to meet management requirements or administrative work assigned by Assurance & Advisory Services Manager on a timely basis.
- Carry out follow-up reviews to ensure that appropriate actions are taken on agreed recommendations by the action owners.

Requirements
