Job Description

SriLankan Airlines Ltd, the National Carrier of Sri Lanka operates with a network of destinations throughout Asia, the Middle East, Europe, and Australia. The Airline has a strong presence in Maldives and Southern India. SriLankan is a member of the 'oneworld' alliance.

SriLankan IT Systems drives the airline's IT strategy through digital transformation, technology adoption, data modeling, business intelligence, and business continuity. The focus is on transforming business and operational processes, expanding digital passenger reach, and improving customer experience through solutions design, development, and integrations while enhancing airline IT domain knowledge. Award-winning SriLankan IT team is seeking dynamic individual to join as a IT Project Implementation Analyst.

The individual is responsible of providing necessary Passenger Service System (PSS) and IT Systems expertise and support to business units in achieving its long-term goals and operational requirements by managing and maintaining the functionality, usability and consistency of PSS system while maintaining its compliancy.

Key responsibilities will include:
