## Job Description

SriLankan Airlines Ltd, the National Carrier of Sri Lanka operates with a network of destinations throughout Asia, the Middle East, Europe and Australia. The Airline has a strong presence in Maldives and Southern India. SriLankan is a member of the 'oneworld' alliance.

The incumbent will primarily be involved in one of the following areas.

### Technical Services

To ensure continuing airworthiness management of the assigned area of specialty / responsibility.

### Engineering/Production Planning

To Carry out thorough technical preparation and coordination of all maintenance checks to ensure its completion within the allocated time slot with optimum use of resources.

### Component Management

To ensure that prompt repair action is taken on Rotable and Repairable Components, Ensure the float requirements are adequate for the operation and execute the RFP/RFQ processes and make sure that the serviceable Components are available whenever need arise for the smooth operation of the aircraft fleet.

### Engineering Contracts

Management of specifically the Engines / APU's / Rotable Service agreements, Engineering Line Maintenance agreements/ Co-ordination the Service process under techno-commercial aspects against the terms and conditions of the agreements together with the routine and annual engineering services management for non-disruptive aircraft operations and it's maintenance.

### Engineering Quality

Perform Quality Assurance functions daily to ensure compliance with company procedures and regulatory requirements and work towards a continuous process of improvement to high quality and safety standards.

## Requirements

Bachelor's Degree in Mechanical, Mechatronics, Electrical, Electronics, or Aeronautical/Aerospace engineering with 2 years' experience in technical / engineering / manufacturing / production environment.

OR

Full professional qualification in engineering (IESL or EC (UK)) with 2 years' experience in technical / engineering / manufacturing / production environment.

The upper age limit should be 35 years as at the closing date **16th September 2024**.

Employment will be offered on fixed term contract.

Influencing will be a reflection of unsuitability.

We are an equal-opportunity organization.
