

Manager - Database Administration

We are on the lookout for a highly skilled and motivated individual to join our team as the Manager-Database Administration. If you are passionate about databases, infrastructure, and optimizing data management, this could be the perfect opportunity for you.

Position Overview:

The Manager-Database Administration will be responsible for ensuring the smooth functioning of all databases and their infrastructure. The role includes overseeing database management, maintenance, consolidation, and optimization, with a focus on delivering reliable and efficient data solutions.

Candidate Profile:

- Bachelor's degree or a professional qualification in Information Technology, Computer Science or related field.
- Minimum of 5 years of full-time experience in Database Administration, with a strong understanding of database design, normalization, indexing, and performance tuning.
- Relevant certifications such as Oracle Certified Professional (OCP), Microsoft Certified Database Administrator (MCDBA), DB2 or AS400 certification is a plus.
- Extensive expertise in database management systems such as Oracle, Microsoft SQL Server, MySQL, etc.
- Strong understanding of database security principles and best practices.
- Experience with database backup and recovery strategies.
- Proven track record in managing and resolving complex database-related issues.
- Excellent leadership skills with the ability to guide and train subordinate staff to develop skills and knowledge to discharge their respective duties efficiently.
- Strong interpersonal and analytical skills.
- Excellent collaboration skills, with strong verbal and written communication abilities.
- Ability to multitask and prioritize the work assigned.

An attractive remuneration package commensurate with experience and fringe benefits on par with the industry standards is available for the right person. Interested candidates are invited to submit their curriculum vitae within 14 days of this advertisement to careers@sdb.lk mentioning the position in the subject line of the email. Kindly note that only shortlisted candidates will be contacted.
