

GCE O/L results out within 10 days

Examination Commissioner General Amith Jayasundara said yesterday (23) the results of the GCE Ordinary Level Exam 2023 (2024) will be released within the next 10 days.

He stated that efforts will be made to release the exam results within this week and if it is not possible, the results will be definitely released within ten days.

The release of results within a short period of one and a half months after the end of the exam can be seen as one of the milestones of the educational system, he added. The examination was held from May 6 to May 15.

This year, 452,979 candidates appeared for the exam with 387,648 school applicants and 65,331 private applicants.
