

Browns
A Heritage of Trust

JOIN THE DYNAMIC TEAM OF Browns

Browns is one of the largest diversified conglomerates in Sri Lanka, which manages a fast growing and valuable portfolio of brands across several key industry sectors, such as automotive; plantations; leisure; power generation; agriculture; pharmaceuticals; investments; marine and manufacturing. Being in existence for over 150 years, the Company is built upon a strong foundation of strength, driven by a vision and a will to succeed. We are looking for a self-motivated, result-driven individual with a proven track record to join our Browns Group.

Business Analyst

Key Responsibilities:

- Work independently with minimal supervision to analyse business performance and provide strategic recommendations to senior management.
- Leverage the SAP Manufacturing Module for operational insights and process improvements.
- Support high-impact strategic projects, including productivity enhancement and cost optimisation initiatives.
- Strong data visualising skills, while MS Power BI knowledge will be an added advantage.
- Ability to synthesise complex information, extract key insights, and craft compelling narratives that inspire action.
- Outstand data analysis, time management and manage cross-functional work.
- Apply advanced Excel techniques to analyse data and support decision-making.
- Excellent communication and presentation skills.

Personal Profile & Skills

- Minimum 2 years of experience in Auditing or undergraduate part qualification in CIMA, ACCA or CA.
- Strong knowledge and practical experience with SAP – Manufacturing Module.
- Advanced proficiency in Microsoft Excel.
- Demonstrated experience in strategic analysis, data interpretation and business recommendation delivery.
- Excellent time management and cross-functional coordination skills.
- Willingness to work extended hours when required.

If you wish to apply for the above post, please forward your CV to us within 7 days of this advertisement.
