PART ONE

1   INTRODUCTION

1.1   The university system in Sri Lanka operates within the framework laid down in the Universities Act No. 16 of 1978 as amended. The selection of students for admission to undergraduate courses in the universities is a task assigned to the University Grants Commission (UGC) under the said Act. The UGC carries out this task in consultation with the Universities/ Campuses/ Institutes.

1.2   The UGC selects students for admission to undergraduate courses in the following Higher Educational Institutions [sixteen (16) National Universities, two (2) Campuses and two (02) Institutes] which have been set up under the Universities Act;

University of Colombo
University of Peradeniya
University of Sri Jayewardenepura
University of Kelaniya
University of Moratuwa
University of Jaffna
University of Ruhuna
Eastern University, Sri Lanka
South Eastern University of Sri Lanka
Rajarata University of Sri Lanka
Sabaragamuwa University of Sri Lanka
Wayamba University of Sri Lanka
Uva Wellassa University of Sri Lanka
University of the Visual & Performing Arts
Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka
University of Vavuniya, Sri Lanka
Sripalee Campus, University of Colombo
Trincomalee Campus of the Eastern University, Sri Lanka
University of Colombo School of Computing
Swamy Vipulananda Institute of Aesthetic Studies, Eastern University, Sri Lanka

1.3   This Handbook describes the selection procedure for students with foreign qualifications to undergraduate courses of the Higher Educational Institutions mentioned above. The rules and regulations laid down herein are subject to revision in terms of any decisions made by the Government/ University Grants Commission.

1.4 COURSES OF STUDY

The following courses of study can be offered at first degree level in the universities in Sri Lanka. The duration of each of these courses of study is indicated against them.

1.	Medicine	-	5 years
2.	Dental Surgery	-	5 years
3.	Veterinary Science	-	5 years
4.	Agriculture	-	4 years
5.	Food Science & Nutrition	-	4 years
6.	Biological Science	-	3 years (Honours 4 years)
7.	Applied Sciences (Bio. Science)	-	3 years (Honours 4 years)
8.	Engineering	-	4 years
9.	Engineering (EM)	-	4 years
10.	Engineering (TM)	-	4 years
11.	Transport Management & Logistics Engineering (TMLE)	-	4 years
12.	Quantity Surveying	-	4 years
13.	Computer Science	-	3 years (Honours 4 years)
14	Physical Science	-	3 years (Honours 4 years)
15.	Surveying Science	-	4 years
16.	Applied Sciences (Phy. Science)	-	3 years (Honours 4 years)
17.	Management	-	4 years
18.	Real Estate Management and Valuation	-	4 years
19.	Commerce	-	4 years
20.	Arts	-	3 years (Honours 4 years)
21.	Arts (SP) - Mass Media	-	4 years
22.	Arts (SP) - Performing Arts	-	4 years
23.	Arts (SAB)	-	3 years (Honours 4 years)
24.	Management Studies (TV)	-	3 years (Honours 4 years)
25.	Architecture	-	5 years
26.	Design	-	4 years
27.	Law	-	4 years
28.	Information Technology (IT)	-	4 years
29.	Management & Information Technology (MIT)	-	4 years
30.	Management and Public Policy	-	4 years
31.	Communication Studies	-	3 years (Honours 4 years)
32.	Urban Informatics and Planning	-	4 years
33.	Peace & Conflict Resolution	-	4 years
34.	Ayurveda Medicine and Surgery	-	5 years
35.	Unani Medicine and Surgery	-	5 years
36.	Fashion Design & Product Development	-	4 years
37.	Food Science & Technology	-	4 years

38.	Siddha Medicine and Surgery	-	6 years
39.	Nursing	-	120 Credits
40.	Information and Communication Technology (ICT)	-	3 years (Honours 4 years)
41.	Agricultural Technology & Management	-	4 years
42.	Health Promotion	-	3 years (Honours 4 years)
43.	Pharmacy	-	120 Credits
44.	Medical Laboratory Sciences	-	120 Credits
45.	Radiography	-	120 Credits
46.	Physiotherapy	-	120 Credits
47.	Environmental Conservation & Management	-	3 years (Honours 4 years)
48.	Facilities Management	-	4 years
49.	Biochemistry and Molecular Biology	-	3 years (Honours 4 years)
50.	Industrial Statistics & Mathematical Finance	-	3 years (Honours 4 years)
51.	Statistics & Operations Research	-	4 years
52.	Fisheries & Marine Sciences	-	4 years
53.	Islamic Studies	-	3 years
54.	Science and Technology	-	4 years
55.	Computer Science & Technology	-	4 years
56.	Entrepreneurship and Management	-	4 years
57.	Animal Production and Food Technology	-	4 years
58.	Music	-	4 years
59.	Dance	-	4 years
60.	Art & Design	-	4 years
61.	Drama & Theatre	-	4 years
62.	Visual & Technological Arts	-	4 years
63.	Export Agriculture	-	4 years
64.	Industrial Information Technology	-	4 years
65.	Mineral Resources & Technology	-	4 years
66.	Business Information Systems (Honours) (BIS)	-	4 years
67.	Management & Information Technology (SEUSL)	-	3 years
68.	Physical Education	-	4 years
69.	Sports Science & Management	-	4 years
70.	Speech & Hearing Sciences	-	4 years
71.	Arabic Language	-	3 years
72.	Visual Arts	-	4 years
73.	Animal Sciences & Fisheries	-	4 years
74.	Food Production & Technology Management	-	4 years
75.	Aquatic Resources Technology	-	4 years
76.	Hospitality, Tourism and Events Management	-	4 years
77.	Information Technology & Management	-	4 years
78.	Tourism & Hospitality Management	-	4 years

79.	Agricultural Resource Management and Technology	-	4 years
80.	Agribusiness Management	-	4 years
81.	Green Technology	-	4 years
82.	Information Systems	-	3 years (Honours 4 years)
83.	Landscape Architecture	-	4 years
84.	Translation Studies	-	4 years
85.	Software Engineering	-	4 years
86.	Film & Television Studies	-	4 years
87.	Project Management	-	3 years
88.	Engineering Technology (ET)	-	4 years
89.	Biosystems Technology (BST)	-	4 years
90.	Information Communication Technology	-	4 years
91.	Physical Science-ICT	-	3 years
92.	Marine and Fresh Water Sciences	-	4 years
93.	Food Business Management	-	4 years
94.	Teaching English as a Second Language (TESL)	-	4 years
95.	Business Science	-	4 years
96.	Financial Engineering	-	4 years
97.	Geographical Information Science	-	4 years
98.	Social Work	-	4 years
99	Financial Mathematics and Industrial Statistics	-	4 years
100.	Human Resource Development	-	4 years
101.	Occupational Therapy	-	4 years
102.	Optometry	-	4 years
103.	Artificial Intelligence	-	4 years
104.	Applied Chemistry	-	4 years
105.	Electronics and Computer Science	-	4 years
106.	Indigenous Medicinal Resources	-	4 years
107.	Health Information and Communication Technology	-	4 years
108.	Health Tourism and Hospitality Management	-	4 years
109.	Biomedical Technology	-	4 years
110.	Indigenous Pharmaceutical Technology	-	4 years
111.	Yoga and Parapsychology	-	4 years
112.	Social Studies in Indigenous Knowledge	-	4 years
113.	Accounting Information Systems	-	4 years
114.	Arts - Information Technology	-	4 years
115.	Aquatic Bioresources	-	4 years
116.	Urban Bioresources	-	4 years
117.	Banking and Insurance	-	4 years
118.	Financial Economics	-	4 years

119.	English Language & Applied Linguistics	-	4 years
120.	Creative Music Technology and Production	-	4 years
121.	Plantation Management and Technology	-	4 years
122.	Data Science	-	4 years
123.	Primary Education	-	4 years
124.	Medical Imaging Technology	-	4 years
125.	Polymer Science and Industrial Management	-	4 years
126.	Service Management *(New)*	-	4 years

2. MINIMUM REQUIREMENTS FOR ADMISSION OF STUDENTS WITH FOREIGN QUALIFICATIONS

2.1 Candidates with results at a foreign examination held outside Sri Lanka, deemed equivalent to G.C.E. (Advanced Level) Examination of Sri Lanka are eligible to apply for admission to Universities in Sri Lanka.

> **Important:**
>
> **The candidates with the results at a foreign examination held outside Sri Lanka, deemed equivalent to G.C.E. (Advanced Level) Examination of Sri Lanka are eligible to apply for the courses of study in Medicine and Dental Surgery.**
>
> **The criteria defined by the UGC Standing Committee of Medicine and Dental Sciences and Sri Lanka Medical Council (SLMC) will be considered for this purpose.**

a) Applicants are advised to attach to their applications the original letter obtained from the Examinations Board concerned, to prove that their educational qualifications are equivalent to the G.C.E. (Advanced Level) Examination of Sri Lanka or their educational qualifications are considered for admission to a university in their own country to follow an undergraduate course of study leading to a Bachelor's Degree.

> **Note:**
>
> **The candidate's relevant foreign qualification should be approved by the University Grants Commission as deemed equivalent to the G.C.E. (Advanced Level) Examination of Sri Lanka.**

b) Applicants should ensure that all required passes are obtained in **one and the same sitting under one recognized Board of Examinations** subject to the rules set out by the Education Authority of the country concerned.

c) Applicants should attach to their applications the certified copies of the educational certificate and the statement of results of their qualifying examination. *(The copy of the educational certificate and the statement of results should be certified by the relevant Examinations Board which conducted the examination concerned ; For Example, if a candidate has Pearson Edexcel International Advanced Level qualification, then the copies of certificate and statement of result should be certified by the Pearson but not by the other institutions such as school and embassy).*

2.2 The eligible candidates for admission under this special provision are;

    a) Candidates with Foreign passports
    b) Candidates with Sri Lankan passports

In order to become eligible;

a) Sri Lankan candidates should have studied abroad for a period of not less than three academic years immediately prior to sitting the qualifying examination. *(N.B.: Applicants must provide the following documents and Refer Section 10.2 for more information)*

    i) Certified copies of the candidate's Passports *(with Visa)* covering the period studied abroad
    ii) Documentary evidence issued by a relevant authority of the foreign country confirming the candidate's resided/ residing period there.
    iii) Originals of the Foreign & Sri Lankan *(if any)* School Leaving Certificates of the candidate
    iv) Certified copy of the candidate's birth certificate

b) Father/Mother/Guardian *(only if parents expired)* of the Sri Lankan candidates should also have worked in the same country in which the candidate has studied, during his/her period studied abroad. *(N.B.: Applicants must provide the following documents and Refer Section 10.2 for more information)*

   i) Originals of the Service Certificate/s of the Father/Mother/Guardian
   ii) Documentary evidence issued by a relevant authority of the foreign country confirming the parents'/ guardian's resided / residing period there.
   iii) Certified copies of parents'/guardians' Passports *(with Visa)* covering the period worked abroad
   iv) Documentary evidences to prove that the Guardian has been legally appointed

c) Children of Sri Lankan diplomatic personnel attached to Sri Lankan diplomatic missions abroad or on foreign assignments sponsored by the Government of Sri Lanka, should have studied abroad at least for a period of three academic years in the six year period immediately prior to sitting the qualifying examination, along with their parents who are Sri Lankan diplomats.

   Sri Lankan diplomatic personnel are referred to as the Sri Lankan Foreign Service officers, officers from certain other Services and Ministries/ Agencies such as the Ministry of Foreign Affairs, Foreign Employment & Tourism, Ministry of Defence, Department of Commerce, Ministry of Public Administration, Department of Labour and the Sri Lankan Bureau of Foreign Employment who have been appointed to serve in Sri Lankan Missions abroad for limited periods, the officers from other Services and Ministries/ Departments attached to Missions abroad whose overseas assignments are not routine and serve only limited periods abroad, the appointments to Missions abroad made on the approval of the Cabinet of Ministers as approved by the Ministry of Foreign Affairs, Foreign Employment & Tourism.

   Note : However, the children of Sri Lankan diplomatic personnel who have satisfied the requirements for admission at a foreign examination equivalent to G.C.E. (Advanced Level) Examination of Sri Lanka held locally too will be considered, if;

   a. They have sat the said examination locally within a period of **one (01) year** from the date of their return to Sri Lanka after completion of a continuous period of not less than **two (02) academic years** of studies abroad immediately prior to sitting the qualifying examination.

      provided that;

   b. Their parents have returned to Sri Lanka **on completion of the assignment having served at least for a period of three (03) years or have been recalled by the Government of Sri Lanka due to the exigencies of service having served at least for a period of two (02) years** immediately prior to their child sitting the said examination locally. *(N.B:Applicants must provide documentary proof.)*

d) Candidates with foreign passports must also provide the originals of their School Leaving Certificates.

3. DOCUMENTARY EVIDENCES TO BE SUBMITTED BY THE CANDIDATE

a). Documents in proof of the 2.1 & 2.2 above.

b). Duly certified copy of the certificate of Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) or Pearson Test of English (PTE), if a candidate studied in a language other than English.

c). Documentary evidences in proof of funds in relevant foreign currencies [Candidate must submit original letters issued by the banks stating the bank balances of the Father/ Mother/ Guardian in **relevant foreign currencies** *(currency of the relevant country they have/ are worked/working)* as documentary evidences in proof of the availability of sufficient funds]. *[Not relevant for children of Sri Lankan diplomats (Category a)].*

d). Legally valid affidavit, if there is a difference in the names of the candidate mentioned in the educational certificate, statement of results, school leaving certificates, birth certificate, passport and any other submitting document.

> *Note :　See the Check List given in Section 10.2 for a complete list of documents to be submitted along with the applications.*

4. ENGLISH LANGUAGE PROFICIENCY

English is the medium of instructions for most of the degree programmes as indicated in Annexure III. Accordingly, an applicant whose primary language is not English or whose previous education has been conducted in another language, must demonstrate a command of English sufficient to meet the demands of classroom instructions, written assignments and participation in tutorials and discussions.

Therefore, applicants whose primary language is not English or whose previous education has not been in English must provide evidence of proficiency in English i.e. achieve a minimum score of 79 on the Test of English as a Foreign Language (TOEFL) or achieve a minimum score of 6.5 on the International English Language Testing System (IELTS) or a score between 51 and 60 on the Pearson Test of English (PTE).

5. ACADEMIC YEAR IN SRI LANKAN UNIVERSITIES

The universities in Sri Lanka follow the semester system and there are two semesters per year. The date of commencement of the first term/semester of a particular academic year may vary from one university to another or from one Faculty of a university to another.

6. PROCESSING OF APPLICATIONS

Application forms are available on the UGC website or the Handbook published by the UGC.

All the applications should be forwarded to Deputy Secretary/ University Admissions, University Grants Commission, No 20, Ward Place, Colombo 07, Sri Lanka, by courier. No applications will be entertained after the deadline. **Importantly, a scanned copy of the application (in PDF format) including all its attachments should also be forwarded to foreignadmissions@ugc. ac.lk in parallel to sending the hardcopy of the application, on or before the closing date. Failure to send the scanned copy may cause delays in processing your application.**

a) Children of Sri Lankan diplomats seeking admission to universities in Sri Lanka should forward their applications through the Secretary, Ministry of Foreign Affairs, Foreign Employment & Tourism, Republic Building, Sir Baron Jayathilake Mawatha, Colombo 01, Sri Lanka.

b) The UGC charges a fee of US $ 100 for processing the applications. Therefore, every applicant should attach a copy of the payment receipt transferring an amount equivalent to US $ 100 to the University Grants Commission telegraphically (swift), being the application processing

fee.(Bank drafts are also accepted). When paying the application processing fee, please make sure to use the reference number given below.

Name of the Account	: UNIVERSITY GRANTS COMMISSION
Name of the Bank	: Bank of Ceylon
Branch	: Torrington Branch
Account Number	: 2323287
Swift code	: BCEYLKLX
Reference No.	: FADM2425

Applications which do not accompany the application processing fee will not be considered for admission. Please note that this processing fee is not refundable.

c) All applications that satisfy the criteria for university admission in Sri Lanka under this provision either will be scrutinized by a Selection Committee appointed by the University Grants Commission (UGC) to make recommendations to the UGC with regard to the admission of the applicants or any other method as decided by the UGC to obtain recommendations from the respective universities/ faculties for the courses of study in the respective academic year. Then the UGC will communicate with the applicants regarding their final offer.

d) It shall be the responsibility of the applicant to ensure that his/her application is accompanied by all relevant supporting documents. All documents must be duly certified by the relevant authorities.

e) **Failure to submit the relevant documents and certificates along with the application may result in rejection of the application for university admission under this special provision.**

f) Closing date for applications for the academic year 2024/2025 will be on 01st September 2025.

The contact details are given below for further inquiries.

Tele	: +9411-2695301/02, +9411-2123415
Fax	: +9411-2691678
E-mail	: foreignadmissions@ugc.ac.lk
Website	: www.ugc.ac.lk

7. ACKNOWLEDGEMENT

All applications will be acknowledged *(via e-mails)* within two weeks of receiving the **hard copies** of the applications. **The acknowledgement merely indicates that the UGC has received the application and it does not mean that the application has been processed/ a decision has been made on the selection.**

8. SELECTION AND OFFERING OF PLACES

1. The number of places reserved for this category of students are very limited and at present it is up to 0.5 % of the total number of places available in each course of study. Selections of candidates with foreign qualifications are based on the following order of priority;

    a) Children of Sri Lankan diplomatic personnel who are / have been stationed in other countries.

b) Children of foreign diplomatic personnel working in Sri Lanka.
c) Applicants from SAARC countries who seek admission.
d) Sri Lankan applicants not covered under (a) above.
e) Other foreign applicants not covered under (b) or (c) above.

All selected candidates will be admitted on fee levying basis except for the candidates selected under Category (a) above.

2. Up to 4.5 % of the places over and above the proposed intake in each course of study will be allocated to students who satisfy the criteria for admission under this provision. All candidates under this category will be admitted on fee levying basis.

Selected candidates who wish to accept the offer should make arrangements to get themselves registered at the universities to which they will be assigned in consultation with the Registrar of the relevant university.

All prospective foreign students should be noted that the Government of the Democratic Socialist Republic of Sri Lanka will not convert tourist visa to student visa. Therefore, no person who wishes to gain admission to a university should enter the country on tourist visa and they should make arrangements to obtain visas in advance.

9. ACCOMMODATION

In view of the limited hostel facilities available, the universities are not in a position to provide hostel accommodation to students gaining admission under this provision.

10. FINANCIAL ASSISTANCE

No scholarships or other financial assistance will be provided by the Government of Sri Lanka to candidates selected for admission under this provision.

VERY IMPORTANT

INELIGIBILITY FOR ADMISSION UNDER THIS PROVISION

(i) If the candidate has made false declarations/ information provided by the candidate along with the application for university admission or at the registration under this provision found to be false or inaccurate prior to his/ her admission to the University/ Higher Educational Institute, actions will be taken to cancel the selections and the application for university admission under this provision submitted by the candidate for that particular academic year and he/ she will not be allowed to apply for university admissions in any of the future academic years under this provision.

(ii) Moreover, if the candidate has made false declarations/ information provided by the candidate along with the application for university admission or at the registration under this provision found to be false or inaccurate after his/ her admission to the University/ Higher Educational Institute, actions will be taken to dismiss the student from the University/ Higher Educational Institute under this provision.

10.1. FEES PAYABLE BY STUDENTS WITH FOREIGN QUALIFICATIONS

Those who are admitted to universities under this provision are liable to pay the following combined tuition and examination fees. Therefore, the applicants should submit with their applications, the documentary evidence in proof of the availability of sufficient funds in **relevant foreign currencies** *[Refer Section 3 (c) above]*. However, students who will be selected under section 8 (1) (a) above are exempted from the following tuition and examination fees.

10.2. CHECK LIST FOR DOCUMENTS TO BE SUBMITTED ALONG WITH THE APPLICATION

a)   For candidates with Sri Lankan passports

I.   Advanced Level Certificates & Statement of Results certified by the ***relevant Examinations Board.*** *(For Example, if a candidate has Pearson Edexcel International Advanced Level qualification, then the copies of certificate and statement of result should be certified by the Pearson but not by the other institutions such as school and embassy)*

II.   Certified copies of the candidate's passports *(with visa)* covering the period studied abroad.

III.   Documentary evidence issued by a relevant authority of the foreign country confirming the candidate's resided/ residing period there.

IV.   Originals of the Foreign & Sri Lankan *(if any)* School Leaving Certificates of the candidate covering the period studied abroad.

V.   Certified copy of the candidate's Birth Certificate.

VI.   Originals of the Service Certificate/s of the Father/Mother/Guardian *(only if parents expired)* covering the period worked abroad.

VII.   Letter from the Ministry of Foreign Affairs, Foreign Employment & Tourism, Sri Lanka forwarding the applications of the children of Sri Lankan diplomats worked/working abroad *[Category (a)]*.

VIII.   Originals of the Service Certificate/s (*issued by the Ministry of Foreign Affairs, Foreign Employment & Tourism, Sri Lanka)* of parents who are Sri Lankan diplomats worked/ working abroad, covering the six year period immediately prior to their child sitting the qualifying examination.

IX.   Certified copies *(certified by the Ministry of Foreign Affairs, Foreign Employment & Tourism, Sri Lanka)* of the Letters of Assignment of parents who are Sri Lankan diplomats worked/ working abroad, covering the six year period immediately prior to their child sitting the qualifying examination.

X.   Certified copies of parents'/ guardians' passports *(with visa)* covering the period worked abroad.

XI.   Documentary evidence issued by a relevant authority of the foreign country confirming the parents'/ guardian's resided / residing period there.

XII.   Documentary evidences to prove that the Guardian has been legally appointed, if parents expired.

XIII.   Original letters issued by the banks stating the bank balances of the Father/Mother/ Guardian in relevant foreign currencies *(currency of the relevant country they have/are worked/ working)* as documentary evidences in proof of the availability of sufficient funds *[Not relevant for children of Sri Lankan diplomats(Category a)]*.

XIV.   Certified copy of the certificate of Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) or **Pearson Test of English (PTE)**, if studied in a language other than English.

XV.   Legally valid affidavit, if there is a difference in the names of the candidate mentioned in the educational certificate, statement of results, school leaving certificates, birth certificate, passport and any other submitting document.

XVI.   Legally valid affidavit, if there is a difference in the names of father/mother/guardian mentioned in the service certificates, passport and any other submitting document.

XVII. Proof of the payment of US $ 100 as the Application Processing Fee.

---

*Note : **If any document provide for this purpose is in a foreign language other than English, please note that a valid English translation should be provided for all such documents together with the originals.***

---

b)   For candidates with Foreign passports

I.   Advanced Level Certificates & Statement of Results certified by the ***relevant Examinations Board.*** *(For Example, if a candidate has Pearson Edexcel International Advanced Level qualification, then the copies of certificate and statement of result should be certified by the Pearson but not by the other institutions such as school and embassy)*

II.   Original of the School Leaving Certificate from which the candidate sat the qualifying examination.

III.   Certified copy of the candidate's Birth Certificate/ National Identity Card.

IV.   Certified copy of the candidate's Citizenship Certificate *(if any)*

V   Certified copies of the relevant pages of the foreign passport.

VI.   Letter from the Ministry of Foreign Affairs, Foreign Employment & Tourism, Sri Lanka forwarding the applications of the children of foreign diplomats worked/working in Sri Lanka *[Category (b)]*.

VII.   Originals of the Service Certificate/s (*issued by the Ministry of Foreign Affairs, Foreign Employment & Tourism, Sri Lanka)* of parents who are foreign diplomats worked/ working in Sri Lanka.

VIII.   Certified copies *(certified by the Ministry of Foreign Affairs, Foreign Employment & Tourism, Sri Lanka)* of the Letters of Assignment of parents who are foreign diplomats worked/working in Sri Lanka.

IX.   Original letters issued by the banks stating the bank balances of the Father/Mother/ Guardian in relevant foreign currencies *(currency of their own country)* as documentary evidences in proof of the availability of sufficient funds.

X.   Certified copy of the certificate of Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) or Pearson Test of English (PTE), if studied in a language other than English.

XI.   Legally valid affidavit, if there is a difference in the names of the candidate mentioned in the educational certificate, statement of results, school leaving certificates, birth certificate, passport and any other submitting document.

XII.   Legally valid affidavit, if there is a difference in the names of father/mother/guardian mentioned in the service certificates, passport and any other submitting document.

XIII.   Proof of the payment of US $ 100 as the Application Processing Fee.

---

*Note : **If any document provide for this purpose is in a foreign language other than English, please note that a valid English translation should be provided for all such documents together with the originals.***

Important:

A scanned copy of the application (in PDF format) including all its attachments should also be forwarded to foreignadmissions@ugc.ac.lk in parallel to sending the hardcopy of the application, on or before the closing date. Failure to send the scanned copy may cause delays in processing your application.

PART TWO

1   Titles of each Course of Study under different subject streams

Different courses of study are available in Universities and Higher Education Institutes. You may observe slight differences in the titles of 'similar' Courses of Study offered by different Universities. Universities have the autonomy to offer different Courses of Study, which they have the expertise and facilities.

Subjects available at the Advanced Level Examination are classified into six (06) main streams as follows:

        (1)   Arts Stream
        (2)   Commerce Stream
        (3)   Biological Science Stream
        (4)   Physical Science Stream
        (5)   Engineering Technology Stream
        (6)   Biosystems Technology Stream

Page numbers from 17 to 98 will guide you to obtain details of the courses of study under each of the above subject streams you are interested in such as names of the universities, names of the degrees, entry requirements of the courses of study etc.

(1)   ARTS STREAM

1. Arts
- University of Colombo
- University of Kelaniya
- University of Sri Jayewardenepura
- University of Ruhuna
- University of Peradeniya
- University of Jaffna
- Eastern University, Sri Lanka
- South Eastern University of Sri Lanka
- Rajarata University of Sri Lanka

2. Arts (SP)
- Sripalee Campus, University of Colombo

3. Arts (SAB)
- Sabaragamuwa University of Sri Lanka

4. Communication Studies
- Trincomalee Campus of the Eastern University, Sri Lanka

5. Peace and Conflict Resolution
- University of Kelaniya

6. Islamic Studies
- South Eastern University of Sri Lanka

7. Arabic Language
- South Eastern University of Sri Lanka

8.   **Teaching English as a Second Language (TESL)**
- University of Kelaniya
- University of Sri Jayewardenepura
- Sabaragamuwa University of Sri Lanka

9.   **Social Work**
- University of Peradeniya
- University of Sri Jayewardenepura

10.   **Arts - Information Technology**
- University of Sri Jayewardenepura

11.   **Music**
- University of Sri Jayewardenepura
- University of Jaffna
- University of the Visual & Performing Arts
- Swamy Vipulananda Institute of Aesthetic Studies, Eastern University, Sri Lanka

12.   **Dance**
- University of Jaffna
- University of the Visual & Performing Arts
- Swamy Vipulananda Institute of Aesthetic Studies, Eastern University, Sri Lanka

13.   **Drama & Theatre**
- University of the Visual & Performing Arts
- Swamy Vipulananda Institute of Aesthetic Studies, Eastern University, Sri Lanka

14.   **Visual Arts**
- University of the Visual & Performing Arts

15.   **Visual & Technological Arts**
- Swamy Vipulananda Institute of Aesthetic Studies, Eastern University, Sri Lanka

16.   **Art & Design**
- University of Jaffna

(2) COMMERCE STREAM

1.   **Management**
- University of Colombo
- University of Peradeniya
- University of Sri Jayewardenepura
- University of Kelaniya
- University of Jaffna
- University of Ruhuna
- Eastern University, Sri Lanka
- South Eastern University of Sri Lanka
- Rajarata University of Sri Lanka
- Sabaragamuwa University of Sri Lanka
- Wayamba University of Sri Lanka

2. **Management and Public Policy**
   - University of Sri Jayewardenepura

3. **Real Estate Management and Valuation**
   - University of Sri Jayewardenepura

4. **Commerce**
   - University of Sri Jayewardenepura
   - University of Kelaniya
   - University of Jaffna
   - Eastern University, Sri Lanka
   - South Eastern University of Sri Lanka

5. **Management Studies (TV)**
   - University of Vavuniya, Sri Lanka
   - Trincomalee Campus, Eastern University, Sri Lanka

6. **Business Information Systems (Honours) (BIS)**
   - University of Sri Jayewardenepura

7. **Accounting Information Systems**
   - University of Kelaniya

8. **Banking and Insurance**
   - University of Vavuniya, Sri Lanka

9. **Service Management**
   - Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

(3) BIOLOGICAL SCIENCE STREAM

1. **Medicine**
   - University of Colombo
   - University of Peradeniya
   - University of Sri Jayewardenepura
   - University of Kelaniya
   - University of Jaffna
   - University of Ruhuna
   - Eastern University, Sri Lanka
   - Rajarata University of Sri Lanka
   - Wayamba University of Sri Lanka
   - Sabaragamuwa University of Sri Lanka
   - University of Moratuwa
   - Uva Wellassa University of Sri Lanka

2. **Dental Surgery**
   - University of Peradeniya
   - University of Sri Jayewardenepura

3. **Veterinary Science**
   - University of Peradeniya

4. **Agricultural Technology & Management**
   - University of Peradeniya

5. **Agriculture**
   - University of Jaffna
   - Eastern University, Sri Lanka
   - Rajarata University of Sri Lanka
   - Sabaragamuwa University of Sri Lanka
   - Wayamba University of Sri Lanka

6. **Food Science & Nutrition**
   - Wayamba University of Sri Lanka

7. **Food Science & Technology**
   - University of Peradeniya
   - University of Sri Jayewardenepura
   - Sabaragamuwa University of Sri Lanka

8. **Ayurveda Medicine and Surgery**
   - University of Colombo
   - Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

9. **Unani Medicine and Surgery**
   - University of Colombo

10. **Siddha Medicine and Surgery**
    - University of Jaffna
    - Trincomalee Campus, Eastern University, Sri Lanka

11. **Biological Science**
    - University of Colombo
    - University of Peradeniya
    - University of Sri Jayewardenepura
    - University of Kelaniya
    - University of Jaffna
    - University of Ruhuna
    - Eastern University, Sri Lanka
    - South Eastern University of Sri Lanka

12. **Applied Sciences (Biological Science)**
    - Rajarata University of Sri Lanka
    - Sabaragamuwa University of Sri Lanka
    - University of Vavuniya, Sri Lanka

13. **Health Promotion**
    - Rajarata University of Sri Lanka

14. **Nursing**
    - University of Peradeniya
    - University of Sri Jayewardenepura
    - University of Jaffna
    - University of Ruhuna
    - Eastern University, Sri Lanka
    - University of Colombo

15. Pharmacy
- University of Peradeniya
- University of Sri Jayewardenepura
- University of Jaffna
- University of Ruhuna

16. Medical Laboratory Sciences
- University of Peradeniya
- University of Sri Jayewardenepura
- University of Jaffna
- University of Ruhuna

17. Radiography
- University of Peradeniya

18. Physiotherapy
- University of Colombo
- University of Peradeniya

19. Biochemistry & Molecular Biology
- University of Colombo

20. Fisheries & Marine Sciences
- University of Ruhuna

21. Environmental Conservation & Management
- University of Kelaniya

22. Animal Science & Fisheries
- University of Peradeniya

23. Food Production & Technology Management
- Wayamba University of Sri Lanka

24. Agricultural Resource Management and Technology
- University of Ruhuna

25. Agribusiness Management
- University of Ruhuna

26. Green Technology
- University of Ruhuna

27. Animal Production and Food Technology
- Uva Wellassa University of Sri Lanka

28. Export Agriculture
- Uva Wellassa University of Sri Lanka

29. Aquatic Resources Technology
- Uva Wellassa University of Sri Lanka

30. Occupational Therapy
- University of Kelaniya

31. **Optometry**
  ▪ University of Sri Jayewardenepura

32. **Applied Chemistry**
  ▪ University of Kelaniya

33. **Indigenous Medicinal Resources**
  ▪ Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

34. **Aquatic Bioresources**
  ▪ University of Sri Jayewardenepura

35. **Urban Bioresources**
  ▪ University of Sri Jayewardenepura

36. **Medical Imaging Technology**
  ▪ University of Colombo

37. **Speech and Hearing Sciences**
  ▪ University of Kelaniya

(4) PHYSICAL SCIENCE STREAM

1. **Engineering**
  ▪ University of Peradeniya
  ▪ University of Jaffna
  ▪ University of Ruhuna
  ▪ University of Moratuwa
  ▪ South Eastern University of Sri Lanka
  ▪ University of Sri Jayewardenepura

2. **Engineering (EM) - Earth Resources Engineering**
  ▪ University of Moratuwa

3. **Engineering (TM) - Textile & Apparel Engineering**
  ▪ University of Moratuwa

4. **Transport Management & Logistics Engineering (TMLE)**
  ▪ University of Moratuwa

5. **Physical Science**
  ▪ University of Colombo
  ▪ University of Peradeniya
  ▪ University of Sri Jayewardenepura
  ▪ University of Kelaniya
  ▪ University of Jaffna
  ▪ University of Ruhuna
  ▪ Eastern University, Sri Lanka
  ▪ South Eastern University of Sri Lanka

6. **Computer Science**
  ▪ University of Jaffna
  ▪ University of Ruhuna

- University of Colombo School of Computing
- Trincomalee Campus, Eastern University, Sri Lanka
- University of Kelaniya
- University of Sri Jayewardenepura

7. **Applied Sciences (Physical Science)**
   - Rajarata University of Sri Lanka
   - Sabaragamuwa University of Sri Lanka
   - Wayamba University of Sri Lanka
   - University of Vavuniya, Sri Lanka
   - Trincomalee Campus, Eastern University, Sri Lanka

8. **Industrial Statistics & Mathematical Finance**
   - University of Colombo

9. **Statistics & Operations Research**
   - University of Peradeniya

10. **Physical Science - ICT**
    - University of Sri Jayewardenepura
    - University of Kelaniya

11. **Artificial Intelligence**
    - University of Moratuwa

12. **Electronics and Computer Science**
    - University of Kelaniya

13. **Data Science**
    - Sabaragamuwa University of Sri Lanka

(5) ENGINEERING TECHNOLOGY STREAM

1. **Engineering Technology (ET)**
   - University of Sri Jayewardenepura
   - University of Kelaniya
   - University of Jaffna
   - University of Ruhuna
   - Rajarata University of Sri Lanka
   - Uva Wellassa University of Sri Lanka
   - Wayamba University of Sri Lanka
   - University of Colombo
   - Sabaragamuwa University of Sri Lanka

(6) BIOSYSTEMS TECHNOLOGY STREAM

1. **Biosystems Technology (BST)**
   - University of Sri Jayewardenepura
   - University of Jaffna
   - Eastern University, Sri Lanka
   - Rajarata University of Sri Lanka
   - South Eastern University of Sri Lanka

- Uva Wellassa University of Sri Lanka
- Wayamba University of Sri Lanka
- University of Colombo
- Sabaragamuwa University of Sri Lanka
- University of Ruhuna
- University of Kelaniya

(7) Information Communication Technology

- University of Sri Jayewardenepura
- University of Kelaniya
- University of Ruhuna
- Rajarata University of Sri Lanka
- South Eastern University of Sri Lanka
- University of Vavuniya, Sri Lanka
- University of Colombo
- Uva Wellassa University of Sri Lanka
- Eastern University, Sri Lanka

(8) COURSES OF STUDY FOR WHICH STUDENTS FROM DIFFERENT SUBJECT STREAMS ARE ELIGIBLE

1. **Information Technology (IT)**
   - University of Moratuwa

2. **Management and Information Technology (MIT)**
   - University of Kelaniya

3. **Quantity Surveying**
   - University of Moratuwa

4. **Surveying Science**
   - Sabaragamuwa University of Sri Lanka

5. **Urban Informatics and Planning**
   - University of Moratuwa

6. **Architecture**
   - University of Moratuwa

7. **Fashion Design & Product Development**
   - University of Moratuwa

8. **Landscape Architecture**
   - University of Moratuwa

9. **Design**
   - University of Moratuwa

10. **Law**
    - University of Colombo
    - University of Peradeniya
    - University of Jaffna

11. **Facilities Management**
    - University of Moratuwa

12. **Management and Information Technology (SEUSL)**
    - South Eastern University of Sri Lanka

13. **Science and Technology**
    - Uva Wellassa University of Sri Lanka

14. **Computer Science & Technology**
    - Uva Wellassa University of Sri Lanka

15. **Entrepreneurship and Management**
    - Uva Wellassa University of Sri Lanka

16. **Industrial Information Technology**
    - Uva Wellassa University of Sri Lanka

17. **Mineral Resources and Technology**
    - Uva Wellassa University of Sri Lanka

18. **Hospitality, Tourism and Events Management**
    - Uva Wellassa University of Sri Lanka

19. **Physical Education**
    - Sabaragamuwa University of Sri Lanka
    - University of Jaffna

20. **Sports Science & Management**
    - University of Sri Jayewardenepura
    - Sabaragamuwa University of Sri Lanka
    - University of Kelaniya

21. **Information Technology & Management**
    - University of Moratuwa

22. **Tourism & Hospitality Management**
    - Rajarata University of Sri Lanka
    - Sabaragamuwa University of Sri Lanka

23. **Information Systems**
    - University of Colombo School of Computing
    - University of Sri Jayewardenepura
    - Sabaragamuwa University of Sri Lanka

24. **Translation Studies**
    - University of Kelaniya
    - University of Jaffna
    - Sabaragamuwa University of Sri Lanka
    - Eastern University, Sri Lanka

25. **Film & Television Studies**
    - University of Kelaniya

26. Project Management
- University of Vavuniya, Sri Lanka

27. Information and Communication Technology (ICT)
- Rajarata University of Sri Lanka
- University of Vavuniya, Sri Lanka

28. Software Engineering
- University of Kelaniya
- Sabaragamuwa University of Sri Lanka
- University of Sri Jayewardenepura

29. Food Business Management
- Sabaragamuwa University of Sri Lanka

30. Marine and Fresh Water Sciences
- University of Ruhuna

31. Business Science
- University of Moratuwa

32. Financial Engineering
- University of Kelaniya

33. Geographical Information Science
- University of Peradeniya

34. Financial Mathematics and Industrial Statistics
- University of Ruhuna

35. Human Resource Development
- Uva Wellassa University of Sri Lanka

36. Health Information and Communication Technology
- Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

37. Health Tourism and Hospitality Management
- Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

38. Biomedical Technology
- Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

39. Indigenous Pharmaceutical Technology
- Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

40. Yoga and Parapsychology
- Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

41. Social Studies in Indigenous Knowledge
- Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

42. Financial Economics
- University of Sri Jayewardenepura

43. English Language & Applied Linguistics
- Uva Wellassa University of Sri Lanka

44. Creative Music Technology and Production
- University of Sri Jayewardenepura

45. Plantation Management and Technology
- Uva Wellassa University of Sri Lanka

46. Primary Education
- University of Colombo

47. Polymer Science and Industrial Management
- University of Sri Jayewardenepura

2. **Advanced Level subject pre-requisites to satisfy the entry requirements for first degree programmes**

In addition to the minimum admissions requirements specified in Part 1 Section 2, candidates have to fulfil certain subject pre-requisites in order to qualify for admission to a particular course of study. Applicants with foreign qualifications too are required to have passed (as the case may be) the subjects equivalent to those given in this part.

2.1   ARTS STREAM

2.1.1   Arts
(Course Code - 019)

- To be eligible for admission to a course of study in Arts, candidates must have obtained passes for three subjects considered.

- As there are many subjects in the Arts Stream for the Advanced Level Examination, subjects are classified under four baskets.

- Students should have obtained passes in three subjects at the Advanced Level Examination from the following baskets.

Basket 01- Social Sciences / Applied Social Studies:

1. Economics
2. Geography
3. History
4. Home Economics
5. Agricultural Science / Mathematics / Combined Mathematics
6. Communication & Media Studies
7. Information & Communication Technology
8. Accounting / Business Statistics
9. Political Science
10. Logic & Scientific Method
11. One subject from Technological Subjects :
    - Civil Technology
    - Electrical, Electronic and Information Technology
    - Agro Technology
    - Mechanical Technology
    - Food Technology
    - Bio-Resource Technology

Guidance for selection of subjects from basket 01:

- Students should select at least one subject from this basket.
- Students can also select all three subjects only from basket 01.

There are three exceptions to this rule. These are;

1. Students selecting three National Languages; Sinhala, Tamil and English from the basket 04 (Language Basket) as the three subjects, need not to select any subject from basket 01.

2. Students selecting a combination of National and Classical languages need not to select any subject from basket 01.

National Languages are;
  Sinhala   Tamil   English

Classical Languages are;
  Arabic   Pali   Sanskrit

For example, students can select three subjects like Sinhala, Pali and Sanskrit etc. These students need not to select any subject from basket 01.

However, no candidate can select three classical languages as three subjects. They can select a maximum of two classical languages only.

3. Students selecting two languages from the basket 04 and the third subject from Religions and Civilizations or Aesthetic subject classified under basket 02 and 03 given below need not to select any subject from basket 01.

Basket 02 - Religions and Civilizations:

1. Buddhism
2. Hinduism
3. Christianity
4. Islam
5. Buddhist Civilization
6. Hindu Civilization
7. Christian Civilization
8. Islamic Civilization
9. Greek & Roman Civilization

Guidance for selection of subjects from basket 02:

- A candidate can select maximum of two subjects from the basket 02.
- However, if a religion (e.g: Buddhism) is selected as a subject, the related civilization of the selected religion (e.g: Buddhist Civilization) cannot be offered as another subject from this basket.

Basket 03- Aesthetic Studies:

Aesthetic subjects consists of four subject areas. These are;

1. Art
2. Dancing
3. Music
4. Drama & Theatre

This can be further sub-classified as;

1. Art

2. Dancing
   a. Sinhala
   b. Bharatha

3. Music
    a. Oriental
    b. Carnatic
    c. Western

4. Drama & Theatre
    a. Sinhala
    b. Tamil
    c. English

Guidance for selection of subjects from basket 03:

- Students can select two subjects out of above four subject areas. However, no student is allowed to select the two subjects from one subject area.

Basket 04 - Languages:

The language basket has three subject areas.

These are;
- National Languages
- Classical Languages
- Foreign Languages

National Languages are:

- Sinhala
- Tamil
- English

Classical Languages are:

- Arabic
- Pali
- Sanskrit

Foreign Languages are:

- Chinese
- French
- German
- Hindi
- Japanese
- Malay
- Russian
- Korean

Guidance for selection of subjects from basket 04:

- Students are allowed to select a maximum of two subjects from this basket. For example, when selecting the three subjects, students can select Chinese and French from basket 04 and the other subject from another basket.

    However, there are exemptions to this rule. These exemptions are also discussed under guidance for selecting subjects from basket 01.

Exemptions are;

a. A student can select three National Languages.
e.g: Sinhala, Tamil and English

b. A student can select at least one subject from National Languages and two subjects from Classical Languages.

No candidate is allowed to offer three Classical Languages or three Foreign Languages.

▪ The above guidance is useful to select subject combinations for different degree programmes of a course of study in Arts in almost all Universities and Higher Educational Institutes.

▪ The medium of Instruction of the course of study in Arts offered by the universities are as follows.

	University	Medium of Instruction
01	University of Colombo	Sinhala/ Tamil/ English
02	University of Peradeniya	Sinhala/ Tamil/ English
03	University of Sri Jayewardenepura	Sinhala
04	University of Kelaniya	Sinhala
05	University of Jaffna	Tamil
06	University of Ruhuna	Sinhala
07	Eastern University, Sri Lanka	Tamil
08	South Eastern University of Sri Lanka	Tamil
09	Rajarata University of Sri Lanka	Sinhala

▪ However, some Universities and Higher Educational Institutes offer some degree programmes under Arts Stream which may expect different advanced level subject combinations for selection. The reason for offering such different combinations is to enhance the quality and relevance of such degree programmes for the purpose of employment and to be in line with the expectations of the society.

There are 11 such courses of study offered by different Universities and Higher Educational Institutes. These are;

1. Course of study in Performing Arts & Mass Media offered by the Sripalee Campus of the University of Colombo

2. Course of study in Arts offered by the Sabaragamuwa University of Sri Lanka

3. Course of study in Communication Studies offered by the Trincomalee Campus of the Eastern University, Sri Lanka

4. Course of study in Peace & Conflict Resolution offered by the University of Kelaniya

5. Course of study in Islamic Studies offered by the South Eastern University of Sri Lanka

6. Course of study in Arabic Language offered by the South Eastern University of Sri Lanka

7. Course of study in Teaching English as a Second Language (TESL) offered by the University of Kelaniya, University of Sri Jayewardenepura and Sabaragamuwa University of Sri Lanka

8. Courses of study in Music, Dance, Drama and Theatre and Visual Arts offered by the University of the Visual and Performing Arts

9. Courses of study in Music, Dance and Art & Design offered by the University of Jaffna

10. Courses of study in Music, Dance, Drama & Theatre and Visual & Technological Arts offered by the Swamy Vipulananda Institute of Aesthetic Studies of the Eastern University, Sri Lanka

11.   Course of study in Music offered by the University of Sri Jayewardenepura

Information pertaining to these courses of study is given below.

1. **Course of Study in Arts offered by the Sripalee Campus of the University of Colombo - Arts (SP)**
   (Course Codes : Mass Media - 020; Performing Arts - 041)

Under this course of study, two degree programmes are offered. These are;

1. Bachelor of Arts Honours in Performing Arts
2. Bachelor of Arts Honours in Mass Media

The duration of both degree programmes are four (04) years and the medium of instructions is Sinhala.

The required three subjects at the Advanced Level Examination and the special requirements needed to get selected for these two degree programmes are given below.

Three subjects should have offered at the Advanced Level Examination from Arts Stream, subject to the following conditions.

1. Not more than two Languages
2. Not more than one subject from Religions and Civilizations basket
3. Not more than one Technological subject
4. Not more than one of the following subjects

    - Accounting
    - Business Statistics
    - Economics

In addition, candidate may pass the Practical/ Aptitude Test as decided by the Campus concerned in order to become eligible for this course of study.

2. **Course of Study in Arts offered by the Sabaragamuwa University of Sri Lanka -Arts (SAB)**
   (Course Code - 021)

Students who have satisfied the minimum requirements for admission in Arts Stream or Commerce Stream are eligible to seek admission for this programme. The two degree programmes offered are:

1. Bachelor of Arts Honours - Duration is four years
2. Bachelor of Arts - Duration is three years

Selection of students to the four year honours degree is based on the performance of them in the first year.

The main subjects offered under these two degree programmes are given below.

1. Economics   -   (English & Sinhala medium)
2. Statistics   -   (English & Sinhala medium)
3. Geography   -   (English & Sinhala medium)
4. Sociology   -   (English & Sinhala medium)
5. Political Science -   (English & Sinhala medium)
6. Sinhala
7. Tamil
8. English

9. Japanese
10. Hindi
11. Chinese
12. German
13. Information & Communication Technology - (Only in English medium)

3. **Course of Study in Communication Studies offered by the Trincomalee Campus of the Eastern University, Sri Lanka**
   (Course Code - 029)

   Under this course of study, the Trincomalee campus offers two degree programmes. They are;

   1. Bachelor of Arts in Communication Studies
   2. Bachelor of Arts in Languages

   Students admitted to a three year degree programme may proceed to fourth year if they so desire and satisfy the requirements of the university. In the fourth year, students will be offered extra modules of courses relevant to the areas of specialization as determined by the Faculty and Senate of the University.

   Selection criteria for this course of study are very flexible. That is, any student who have satisfied the minimum requirements for university admission at the Advanced Level Examination are eligible but one of the three subjects must have a pass in Sinhala, Tamil or English.

   Medium of instructions is English.

4. **Course of Study in Peace and Conflict Resolution offered by the University of Kelaniya**
   (Course Code - 031)

   Name of the degree programme is Bachelor of Arts Honours in Peace and Conflict Resolution [BAHons (Peace and Conflict Resolution)].

   Duration of the degree programme is 04 years.

   Candidates who have satisfied the minimum requirements for university admission having offered any three subjects available at the Advanced Level Examination are eligible to seek admission to this programme.

   Medium of instructions is English.

5. **Course of Study in Islamic Studies offered by the South Eastern University of Sri Lanka**
   (Course Code - 063)

   Name of the degree programme is Bachelor of Arts in Islamic Studies. Duration of the programme is 03 years.

   Candidates with passes in any three subjects at the Advanced Level Examination are eligible. However, one must include a subject of Islam or Islamic Civilization.

6. **Course of Study in Arabic Language offered by the South Eastern University of Sri Lanka**
   (Course Code - 084)

   Name of the degree programme is Bachelor of Arts in Arabic Language. Duration of the programme is 03 years.

   Candidates with passes in any three subjects at the Advanced Level Examination are eligible. However one must include a subject of Arabic language.

7. **Course of Study in Teaching English as a Second Language (TESL) offered by the University of Kelaniya, University of Sri Jayewardenepura and Sabaragamuwa University of Sri Lanka**
   (Course Code - 105)

Name of the degree programme is Bachelor of Arts Honours in TESL.

In order to be eligible for this course of study, candidates should have obtained a pass for English and passes in any other two subjects at the Advanced Level Examination.

Duration of the degree programme is 04 years.

This course is conducted only in English Medium.

8. **Courses of Study in Music, Dance, Drama & Theatre and Visual Arts offered by the University of the Visual and Performing Arts**
   (Course Codes : Music - 068; Dance - 069; Drama & Theatre - 071; Visual Arts - 085)

The University of the Visual & Performing Arts offer 03 degree programmes. These are;

1. Bachelor of Visual Arts Honours
2. Bachelor of Performing Arts- Dance and Drama Honours
3. Bachelor of Performing Arts- Music Honours

Guidance for the selection of subjects at the Advanced Level Examination to be eligible to enter the above 04 courses of study is given below:

In the three subjects at the Advanced Level Examination, students must obtain two passes in any two subjects and a pass for the subject the student wishes to follow. This requirement is mandatory. For example, a student wishing to follow Music must have a pass in Music at the Advanced Level Examination. Similarly, a student wishing to follow a course of study in Visual Arts must have obtained a pass for Art at the Advanced Level Examination.

In addition, candidate may pass the Practical/ Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

The medium of instructions for all degree programmes conducted by the University of the Visual and Performing Arts is Sinhala.

9. **Courses of Study in Music, Dance and Art & Design offered by the University of Jaffna**
   (Course Codes : Music - 068; Dance - 069; Art & Design - 070)

The University of Jaffna offers 03 degree programmes. These are;

1. Bachelor of Fine Arts (Music)
2. Bachelor of Fine Arts (Dance)
3. Bachelor of Fine Arts (Art & Design)

Guidance for the selection of subjects at the Advanced Level Examination to be eligible to enter the above 03 courses of study is given below:

In the three subjects at the Advanced Level Examination, students must obtain two passes in any two subjects and a pass for the subject the student wishes to follow. This requirement is mandatory. For example, a student wishing to follow Music must have a pass in Music at the Advanced Level Examination. Similarly, a student wishing to follow a course of study in Arts & Design must have obtained a pass for Art at the Advanced Level Examination.

The University of Jaffna also conducts Practical/Aptitude Tests for selection of students for the courses of study in Music, Dance and Art & Design.

In addition, candidate may pass the Practical/Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

The medium of instructions for the above degree programmes conducted by the University of Jaffna is Tamil.

10. **Courses of Study in Music, Dance, Drama & Theatre and Visual & Technological Arts offered by the Swamy Vipulananda Institute of Aesthetic Studies of the Eastern University, Sri Lanka**
   (Course Codes : Music - 068; Dance - 069; Drama & Theatre - 071; Visual & Technological Arts - 072)

   The Swamy Vipulananda Institute of Aesthetic Studies of the Eastern University, Sri Lanka offers 04 degree programmes. These are;

   1. Bachelor of Fine Arts Honours in Music
   2. Bachelor of Fine Arts Honours in Dance
   3. Bachelor of Fine Arts Honours in Drama & Theatre
   4. Bachelor of Fine Arts Honours in Visual & Technological Arts

   Guidance for selection of subjects at the Advanced Level Examination to be eligible to enter the above 04 courses of study is given below:

   In the three subjects at the Advanced Level Examination, students must obtain two passes in any two subjects and a pass for the subject the student wishes to follow. This requirement is mandatory. For example a student wishing to follow Music must have a pass in Music at the Advanced Level Examination. Similarly, a student wishing to follow a course of study in Visual & Technological Arts must have obtained a pass for Art at the Advanced Level Examination.

   In addition, candidate may pass the Practical/ Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

   The medium of instructions for all degree programmes conducted by the Swamy Vipulananda Institute of Aesthetic Studies of the Eastern University, Sri Lanka is Tamil.

11. **Course of Study in Music offered by the University of Sri Jayewardenepura**
   (Course Code : 068)

   Name of the degree programme is Bachelor of Arts Honours in Music [BAHons (Mus)].

   Guidance for the selection of subjects at the Advanced Level Examination to be eligible to enter the above course of study is given below:

   In the three subjects at the Advanced Level Examination, students must obtain at least two passes in any two subjects and at least a pass in Music. This requirement is mandatory.

   In addition, candidate may pass the Practical/ Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

   The medium of instruction for this degree programme are Sinhala and English.

2.1.2   Course of Study in Social Work offered by the University of Peradeniya and the University of Sri Jayewardenepura
(Course Code - 112)

Name of the degree programme is Bachelor of Social Work Honours [BSW(Hons)].

In order to be eligible for this course of study, candidates should have obtained passes in any three subjects of the Arts Stream at the Advanced Level Examination, selected according to the conditions specified in the Section 2.1.1 of this handbook.

Duration of the degree programme is 04 years.

The medium of instructions is English.

2.1.3   Course of Study in Arts - Information Technology offered by the University of Sri Jayewardenepura
(Course Code - 128)

Name of the degree programme is Bachelor of Arts Honours in Information Technology [BAHons (IT)].

In order to be eligible for this course of study, candidates should have obtained passes in any three subjects of the Arts Stream at the Advanced Level Examination, selected according to the conditions specified in the Section 2.1.1 of this handbook.

Duration of the degree programme is 04 years.

The medium of instructions is English.

> **Candidates who have offered subjects in the Arts Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.**

- Law
- Architecture
- Design
- Fashion Design & Product Development
- Management Studies (TV)
- Quantity Surveying
- Information Technology (IT)
- Urban Informatics and Planning
- Information and Communication Technology (ICT)
- Management and Information Technology (SEUSL)
- Industrial Information Technology
- Physical Education
- Sports Science & Management
- Information Technology & Management
- Tourism & Hospitality Management
- Information Systems
- Landscape Architecture

- Translation Studies
- Film & Television Studies
- Project Management
- Financial Engineering
- Geographical Information Science
- Financial Mathematics and Industrial Statistics
- Human Resource Development
- Yoga and Parapsychology
- Social Studies in Indigenous Knowledge
- Financial Economics
- English Language & Applied Linguistics
- Creative Music Technology and Production
- Primary Education

2.2   COMMERCE STREAM

2.2.1   Management
(Course Code - 016)

2.2.2   Management and Public Policy
(Course Code - 028)

2.2.3   Real Estate Management and Valuation
(Course Code - 017)

2.2.4   Commerce
(Course Code - 018)

Guidance for selection of subjects for the Advanced Level Examination:

To obtain admission to the above mentioned courses of study, a student should have obtained three passes for one of the following combinations of subjects at the Advanced Level Examination;

- Business Studies
- Economics
- Accounting
    or

At least two subjects given above and the third subject from the subjects given below;

- Agricultural Science
- Geography
- Business Statistics
- German
- Combined Mathematics or Mathematics
- History
- Political Science
- English
- Logic & Scientific Method
- French
- Information & Communication Technology

To enter into some degree programmes such as Accountancy, Auditing & Forensic Accounting and Finance in a university, students should have offered Accounting as a subject at the Advanced Level Examination.

Durations of the degree programmes are 04 years.

Names of the universities and the degree programmes available at those universities:

University of Colombo

- Bachelor of Business Administration Honours
- Bachelor of Business Administration Honours in Finance
- Bachelor of Business Administration Honours in Human Resource Management
- Bachelor of Business Administration Honours in Marketing
- Bachelor of Business Administration Honours in Accounting
- Bachelor of Business Administration Honours in Business Economics

- Bachelor of Business Administration Honours in International Business
- Bachelor of Business Administration Honours in Hospitality and Leisure Management

University of Sri Jayewardenepura

- Bachelor of Science Honours in Business Administration
- Bachelor of Science Honours in Management and Public Policy
- Bachelor of Commerce Honours
- Bachelor of Science Honours in Real Estate Management and Valuation
- Bachelor of Science Honours in Accounting
- Bachelor of Science Honours in Marketing Management
- Bachelor of Science Honours in Human Resource Management
- Bachelor of Science Honours in Business Administration in Business Economics
- Bachelor of Science Honours in Finance
- Bachelor of Science Honours in Business Information Systems
- Bachelor of Science Honours in Operations and Technology Management
- Bachelor of Science Honours in Entrepreneurship

University of Kelaniya

- Bachelor of Business Management Honours in Human Resource
- Bachelor of Business Management Honours in Accountancy
- Bachelor of Business Management Honours in Marketing
- Bachelor of Business Management Honours in Finance
- Bachelor of Commerce Honours
- Bachelor of Commerce Honours in Business Technology
- Bachelor of Commerce Honours in Entrepreneurship
- Bachelor of Commerce Honours in Financial Management
- Bachelor of Business Management Honours in Insurance
- Bachelor of Business Management Honours in Banking
- Bachelor of Business Management Honours in Auditing and Forensic Accounting
- Bachelor of Business Management Honours in Financial Engineering
- Bachelor of Business Management Honours in Accounting Information Systems
- Bachelor of Business Management Honours in Digital Marketing

University of Jaffna

- Bachelor of Business Administration Honours in Tourism and Hospitality Management
- Bachelor of Business Administration Honours in Accounting
- Bachelor of Business Administration Honours in Financial Management
- Bachelor of Business Administration Honours in Human Resource Management
- Bachelor of Business Administration Honours in Marketing
- Bachelor of Commerce Honours in Accounting and Finance
- Bachelor of Commerce Honours in Business Technology Management
- Bachelor of Commerce Honours

University of Ruhuna

- Bachelor of Business Administration Honours in Accounting
- Bachelor of Business Administration Honours in Business Management
- Bachelor of Business Administration Honours in Entrepreneurship
- Bachelor of Business Administration Honours in Finance*

- Bachelor of Business Administration Honours in Human Resources Management
- Bachelor of Business Administration Honours in Marketing

*   Student must have passed Advanced Level in Commerce Stream covering Accounting and Economics together with Business Studies or Business Statistics.

Eastern University, Sri Lanka

- Bachelor of Business Administration Honours
- Bachelor of Business Administration Honours in Marketing Management
- Bachelor of Business Administration Honours in Human Resource Management
- Bachelor of Commerce Honours
- Bachelor of Commerce Honours in Accounting and Finance
- Bachelor of Commerce Honours in Enterprise Development
- Bachelor of Commerce Honours in Business Economics

South Eastern University of Sri Lanka

- Bachelor of Business Administration Honours
- Bachelor of Commerce Honours

Rajarata University of Sri Lanka

- Bachelor of Science Honours in Accountancy & Finance
- Bachelor of Science Honours in Business Management
- Bachelor of Science Honours in Tourism and Hospitality Management
- Bachelor of Science Honours in Marketing Management
- Bachelor of Science Honours in Human Resource Management
- Bachelor of Science Honours in Information Systems

Wayamba University of Sri Lanka

- Bachelor of Science Honours in Accountancy & Business Finance
- Bachelor of Science Honours in Banking and Finance
- Bachelor of Science Honours in Business Management
- Bachelor of Science Honours in Insurance & Finance

Sabaragamuwa University of Sri Lanka

- Bachelor of Science Honours in Business Management
- Bachelor of Science Honours in Financial Management
- Bachelor of Science Honours in Marketing Management
- Bachelor of Science Honours in Tourism Management
- Bachelor of Science Honours in Eco Business Management
- Bachelor of Science Honours in Banking & Insurance

University of Peradeniya

- Bachelor of Business Administration Honours in Human Resource Management
- Bachelor of Business Administration Honours in Marketing Management
- Bachelor of Business Administration Honours in Operations Management
- Bachelor of Business Administration Honours in Accounting and Finance
- Bachelor of Business Administration Honours in Organizational Management

2.2.5   Management Studies (TV)
(Course Code - 022)

Candidates who have satisfied the minimum requirements for admission having offered any three subjects at the Advanced Level Examination are eligible to seek admission to follow a degree course in Management Studies (TV) at one of the following Institutions.

1. University of Vavuniya, Sri Lanka
2. Trincomalee Campus of the Eastern University, Sri Lanka

Students admitted to a three year degree programme may proceed to the fourth year if they so desire and satisfy the requirements of the University. In the fourth year students will be offered extra modules of courses relevant to the areas of specialization as determined by the Faculty/ Senate of the University.

Names of the universities and the degree programmes available:

University of Vavuniya, Sri Lanka
- Bachelor of Business Management
- Bachelor of Business Management Honours in Accounting & Finance
- Bachelor of Business Management Honours in Marketing Management
- Bachelor of Business Management Honours in Business Economics
- Bachelor of Business Management Honours in Human Resource Management
- Bachelor of Business Management Honours in Entrepreneurship

Trincomalee Campus of the Eastern University, Sri Lanka
- Bachelor of Science Honours in Management
- Bachelor of Science Honours in Marketing Management
- Bachelor of Science Honours in Human Resource Management
- Bachelor of Science Honours in Information Systems
- Bachelor of Science Honours in Accounting and Finance
- Bachelor of Science in Management

2.2.6   Business Information Systems (Honours) (BIS)
(Course Code - 077)

Minimum eligibility requirements for admission :

Passes for following three subjects at the Advanced Level Examination;
- Business Studies
- Economics
- Accounting

        or

At least two subjects given above and the third subject from the subjects given below;
- Information & Communication Technology
- Combined Mathematics
- Logic & Scientific Method
- Business Statistics
- Physics

- Degree Programme   :   Bachelor of Science Honours in Business Information Systems

- Available University   :   University of Sri Jayewardenepura

- Duration   :   04 years

2.2.7   Accounting Information Systems (Course Code - 127)

Minimum eligibility requirements for admission :

Pass in Accounting and passes for two subjects from the following subjects combinations at the Advanced Level Examination;

- Economics or Business Studies

  and

- Business Statistics or Information & Communication Technology

- Degree Programme   :   Bachelor of Business Management Honours in Accounting Information Systems [BBMHons (Accounting Information Systems)]

- Available University   :   University of Kelaniya

- Duration   :   04 years

- Medium   :   English

2.2.8   Banking and Insurance (Course Code - 133)

Minimum eligibility requirements for admission :

Passes in Accounting and Economics and the third subject from any other subjects within the Commerce Stream at the Advanced Level Examination;

- Degree Programme   :   Bachelor of Business Management Honours in Banking and Insurance [BBMHons (Banking and Insurance)]

- Available University   :   University of Vavuniya, Sri Lanka

- Duration   :   04 years

- Medium   :   English

2.2.9   Service Management (Course Code - 140)   *(New)*

Minimum eligibility requirements for admission :

Passes for three subjects in the Commerce Stream at the Advanced Level Examination;

- Degree Programme   :   Bachelor of Science Honours in Service Management [BScHons (Serv Mgt)]

- Available University   :   Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration   :   04 years
- Medium   :   English

> The relevant Faculty of the University to which the student has been admitted will make selection for a particular field of specialization within Management, Commerce and Management Studies (TV) on a criterion determined by them.

> Candidates are selected by the UGC for admission to a degree programme in Management, Management and Public Policy, Real Estate Management and Valuation, Management Studies (TV) or to a degree programme in Commerce.

> Candidates who have offered subjects in the Commerce Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Law
- Arts (SAB)
- Quantity Surveying
- Information Technology (IT)
- Architecture
- Design
- Fashion Design & Product Development
- Urban Informatics and Planning
- Peace and Conflict Resolution
- Information and Communication Technology (ICT)
- Facilities Management
- Entrepreneurship and Management
- Industrial Information Technology
- Management and Information Technology (SEUSL)
- Physical Education
- Sports Science & Management
- Hospitality, Tourism and Events Management
- Information Technology & Management
- Tourism & Hospitality Management
- Information Systems
- Landscape Architecture
- Film & Television Studies
- Project Management
- Food Business Management
- Business Science
- Financial Engineering
- Financial Mathematics and Industrial Statistics
- Human Resource Development
- Health Tourism and Hospitality Management

- Yoga and Parapsychology
- Social Studies in Indigenous Knowledge
- Financial Economics
- English Language & Applied Linguistics
- Creative Music Technology and Production
- Primary Education

2.3   BIOLOGICAL SCIENCE STREAM

**2.3.1   Medicine
(Course Code : 001)**

Minimum eligibility requirements for admission :

Two credit passes and a simple pass in Biology, Chemistry and Physics at the Advanced Level Examination.

The course of study in Medicine is available at the following universities.

- Faculty of Medicine - University of Colombo
  Location - Colombo

- Faculty of Medicine - University of Peradeniya
  Location - Peradeniya

- Faculty of Medicine - University of Jaffna
  Location - Jaffna

- Faculty of Medicine - University of Ruhuna
  Location - Karapitiya, Galle

- Faculty of Medicine - University of Kelaniya
  Location - Ragama

- Faculty of Medical Sciences - University of Sri Jayewardenepura
  Location - Gangodawila

- Faculty of Medicine & Allied Sciences - Rajarata University of Sri Lanka
  Location - Saliyapura, Anuradhapura

- Faculty of Health - Care Sciences - Eastern University, Sri Lanka
  Location - Batticaloa

- Faculty of Medicine - Wayamba University of Sri Lanka
  Location - Kuliyapitiya

- Faculty of Medicine - Sabaragamuwa University of Sri Lanka
  Location - Ratnapura

- Faculty of Medicine - University of Moratuwa
  Location - Kalutara

- Faculty of Medicine - Uva Wellassa University of Sri Lanka
  Location - Badulla

  Duration: 05 Years

2.3.2   Dental Surgery
(Course Code : 002)

Minimum eligibility requirements for admission :

Passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The course of study in Dental Surgery is available at the following universities.

- Faculty of Dental Sciences - University of Peradeniya
  Location - Peradeniya

- Faculty of Dental Sciences - University of Sri Jayewardenepura
  Location - Gangodawila

  Duration: 05 Years

2.3.3   Veterinary Science
(Course Code : 003)

Minimum eligibility requirements for admission :

Passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The course of study in Veterinary Science is available at the following university.

- Faculty of Veterinary Medicine and Animal Science - University of Peradeniya
  Location - Peradeniya

  Duration: 05 Years

2.3.4   Agricultural Technology & Management
(Course Code - 039)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination.

(i)   Chemistry; Physics; and Biology
(ii)   Chemistry; Physics or Mathematics; Biology or Agricultural Science
(iii) Chemistry; Biology; Agricultural Science or Mathematics

- Degree Programme   :   Bachelor of Science in Agricultural Technology & Management

- Available University :   University of Peradeniya

- Duration   :   04 years

2.3.5 Agriculture
(Course Code - 004)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination.

    (i)   Chemistry; Physics; and Biology
    (ii)   Chemistry; Physics or Mathematics; Biology or Agricultural Science
    (iii) Chemistry; Biology; Agricultural Science or Mathematics

- Degree Programmes & Available Universities   :   Bachelor of Science in Agriculture
  Sabaragamuwa University of Sri Lanka

  Bachelor of Science Honours in Agriculture
  Eastern University, Sri Lanka
  University of Jaffna
  Rajarata University of Sri Lanka
  Wayamba University of Sri Lanka

- Duration   :   04 years

2.3.6 Food Science & Nutrition
(Course Code - 005)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination.

    (i)   Chemistry; Physics; and Biology
    (ii)   Chemistry; Physics or Mathematics; Biology or Agricultural Science
    (iii) Chemistry; Biology; Agricultural Science or Mathematics

- Degree Programme   :   Bachelor of Science Honours in Food Science & Nutrition [BScHons (Food Sc & Nutr)]

- Available University   :   Wayamba University of Sri Lanka

- Duration   :   04 years

- Fields of Specialization   :   Food Science & Technology
  Applied Nutrition

2.3.7 Food Science & Technology
(Course Code - 035)

Minimum eligibility requirements for admission :

Three Passes in Chemistry, Physics and Biology at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Science Honours in Food Science & Technology

- Available Universities : University of Peradeniya
  Sabaragamuwa University of Sri Lanka
  University of Sri Jayewardenepura

- Duration : 04 years

2.3.8 Ayurveda Medicine and Surgery
(Course Code - 032)

Minimum eligibility requirements for admission :

Three Passes in Chemistry, Physics and Biology at the Advanced Level Examination.

- Degree Programme : Bachelor of Ayurveda Medicine and Surgery (B.A.M.S)

- Available Universities : University of Colombo
  Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration : 05 years

- Medium : English

2.3.9 Unani Medicine and Surgery
(Course Code - 033)

Minimum eligibility requirements for admission :

Three Passes in Chemistry, Physics and Biology at the Advanced Level Examination.

- Degree Programme : Bachelor of Unani Medicine and Surgery (B.U.M.S.)

- Available University : University of Colombo

- Duration : 05 years

- Medium : English

2.3.10 Siddha Medicine and Surgery
(Course Code - 036)

Minimum eligibility requirements for admission :

Three Passes in Chemistry, Physics and Biology at the Advanced Level Examination

- Degree Programme : Bachelor of Siddha Medicine and Surgery (B.S.M.S.)

- Available Institutions : University of Jaffna
  Trincomalee Campus, Eastern University, Sri Lanka

- Duration : 06 years [05 academic years and 01-year (final) internship]

- Medium : University of Jaffna - Tamil
  Trincomalee Campus, Eastern University, Sri Lanka - English

**2.3.11   Biological Science
(Course Code - 006)**

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

- Degree Programme   :   Bachelor of Science in Biological Science

- Available Universities :   University of Colombo
University of Peradeniya
University of Sri Jayewardenepura
University of Kelaniya
University of Jaffna
University of Ruhuna
Eastern University, Sri Lanka
South Eastern University of Sri Lanka

**2.3.12   Applied Sciences (Biological Science)
(Course Code - 007)**

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

Names of the Universities and the degree programmes offered by them are given below:

Sabaragamuwa University of Sri Lanka

- Bachelor of Science (Applied Sciences) in Environmental Sciences and Natural Resources Management
Duration: 03 years

- Bachelor of Science (Applied Sciences) Honours in Environmental Sciences and Natural Resources Management
Duration: 04 years

Rajarata University of Sri Lanka

- Bachelor of Science in Applied Sciences
  Duration: 03 years

- Bachelor of Science Honours in Applied Sciences
  Duration: 04 years

- Bachelor of Science (Joint Major) in Applied Sciences
  Duration: 04 years

- Bachelor of Science Honours in Applied Biology
  Duration: 04 years

- Bachelor of Science Honours in Chemistry
  Duration: 04 years

University of Vavuniya, Sri Lanka

- Bachelor of Science in Environmental Science
  Duration: 03 years

- Bachelor of Science Honours in Environmental Science
  Duration: 04 years

2.3.13 Health Promotion
(Course Code - 050)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

- Degree Programmes   :   Bachelor of Science in Health Promotion
                                [BSc (Hlth Prom)]
                                Duration : 03 years

                                Bachelor of Science Honours in Health Promotion
                                [BScHons (Hlth Prom)]
                                Duration : 04 years

- Available University   :   Rajarata University of Sri Lanka

2.3.14   **Nursing**
          (Course Code - 037)

Minimum eligibility requirements for admission :

Passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The following universities offer a 120 credit curriculum leading to a Bachelor of Science in Nursing;

- University of Peradeniya
- University of Sri Jayewardenepura
- University of Ruhuna
- University of Jaffna
- Eastern University, Sri Lanka
- University of Colombo

Guidance and Information

- In addition, the candidates should be a minimum of 4'10" in height and should not have any kind of deformity. Candidates who fail to satisfy these physical conditions will not be considered for the course of study in Nursing.

- These two requirements are given as mandatory requirements in the Nursing Minute of the Nursing Council.

- If you get selected for the course of study in Nursing, based on false/ inaccurate information provided in the application, your admission for the course of study in Nursing will be cancelled.

2.3.15   **Pharmacy**
          (Course Code - 051)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The following universities offer a 120 credit curriculum leading to a Bachelor of Science in Pharmacy.

- University of Peradeniya
- University of Sri Jayewardenepura
- University of Jaffna
- University of Ruhuna

2.3.16   **Medical Laboratory Sciences**
          (Course Code - 052)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The following universities offer a 120 credit curriculum leading to a Bachelor of Science in Medical Laboratory Sciences;

- University of Peradeniya
- University of Sri Jayewardenepura

- University of Ruhuna
- University of Jaffna

2.3.17   Radiography
(Course Code - 053)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The University of Peradeniya offers a 120 credit curriculum leading to a Bachelor of Science in Radiography.

2.3.18   Physiotherapy
(Course Code - 054)

Minimum eligibility requirements for admission :

Passes in Physics, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Biology
- Mathematics
- Higher Mathematics
- Combined Mathematics

The following universities offer a 120 credit curriculum leading to a Bachelor of Science in Physiotherapy;

- University of Colombo
- University of Peradeniya

2.3.19   Biochemistry & Molecular Biology
(Course Code - 058)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

- Degree Programmes   :   Bachelor of Science
  Duration : 03 years

  Bachelor of Science Honours in Biochemistry & Molecular Biology
  Duration : 04 years

  Bachelor of Science Honours in Molecular Biology & Biotechnology
  Duration : 04 years

- Available University   :   University of Colombo

2.3.20   Fisheries & Marine Sciences
(Course Code - 062)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Science Honours in Fisheries and Marine Sciences

- Available University   :   University of Ruhuna

- Duration   :   04 years

- Fields of Specialization :   Fisheries Sciences
                              Aquaculture

- Medium   :   English

2.3.21   Environmental Conservation & Management
(Course Code - 055)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;
- Physics
- Combined Mathematics
- Mathematics
- Agricultural Science

- Degree Programmes   :   Bachelor of Science in Environmental Conservation and Management
                              Duration: 03 years

                              Bachelor of Science Honours in Environmental Conservation and Management
                              [BScHons (Env Con Mgt)]
                              Duration: 04 years

- Available University   :   University of Kelaniya

2.3.22   Animal Science & Fisheries
(Course Code - 086)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination;

    (i)   Chemistry, Biology and Physics
    (ii) Chemistry, Biology and Agricultural Science

- Degree Programme   :   Bachelor of Science in Animal Science & Fisheries

- ▪ Available University   :   University of Peradeniya

- ▪ Duration   :   04 years

2.3.23   Food Production & Technology Management
(Course Code - 087)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination;

- (i) Chemistry; Physics; and Biology
- (ii) Chemistry; Physics or Mathematics; Biology or Agricultural Science
- (iii) Chemistry; Biology; Agricultural Science or Mathematics

- ▪ Degree Programme   :   Bachelor of Science Honours in Food Production & Technology Management
[BScHons (Food Prod & Tech Mgmt)]

- ▪ Available University   :   Wayamba University of Sri Lanka

- ▪ Duration   :   04 years

- ▪ Fields of Specialization :   Livestock and Avian Sciences
Aquaculture and Fisheries

2.3.24   Agricultural Resource Management and Technology
(Course Code - 093)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination;

- (i) Chemistry; Physics; and Biology
- (ii) Chemistry; Physics or Mathematics; Biology or Agricultural Science
- (iii) Chemistry; Biology; Agricultural Science or Mathematics

- ▪ Degree Programme   :   Bachelor of Science in Agricultural Resource Management & Technology

- ▪ Available University   :   University of Ruhuna

- ▪ Duration   :   04 years

2.3.25   Agribusiness Management
(Course Code - 094)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- ▪ Physics

- Agricultural Science
- Food Technology /Bio - Resource Technology/Agro Technology

- Degree Programme   :   Bachelor of Science in Agribusiness Management

- Available University :   University of Ruhuna

- Duration   :   04 years

2.3.26   Green Technology
(Course Code - 095)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Physics
- Agricultural Science
- Food Technology/Bio - Resource Technology/Agro Technology

- Degree Programme   :   Bachelor of Science in Green Technology

- Available University :   University of Ruhuna

- Duration   :   04 years

2.3.27   Animal Production and Food Technology
(Course Code - 067)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

- Degree Programme   :   Bachelor of Science Honours in Animal Production and Food Technology
  [BScHons (Animal Production and Food Technology)]

- Available University :   Uva Wellassa University of Sri Lanka

- Duration   :   04 years

- Medium   :   English

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

2.3.28　Export Agriculture
(Course Code - 073)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

- Degree Programme　　:　Bachelor of Science Honours in Export Agriculture [BScHons (Export Agri)]

- Available University　:　Uva Wellassa University of Sri Lanka

- Duration　　　　　　:　04 years

- Medium　　　　　　:　English

Students will be selected for one of the following specialization areas at the beginning of the third academic year.

1. Crop Products Technology
2. Entrepreneurial Agriculture

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

2.3.29　Aquatic Resources Technology
(Course Code - 088)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

- Degree Programme　　:　Bachelor of Science Honours in Aquatic Resources Technology [BScHons (Aquatic Resources Tech)]

- Available University　:　Uva Wellassa University of Sri Lanka

- Duration　　　　　　:　04 years

- Medium　　　　　　:　English

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

2.3.30   Occupational Therapy
(Course Code - 115)

Minimum eligibility requirements for admission :

Passes in Physics, Biology and Chemistry at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Science Honours in Occupational Therapy [BScHons (OT)]

- Available University   :   University of Kelaniya

- Duration   :   04 years

- Medium   :   English

2.3.31   Optometry
(Course Code - 116)

Minimum eligibility requirements for admission :

Passes in Chemistry, Physics and Biology at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Science Honours in Optometry [BScHons (Optometry)]

- Available University   :   University of Sri Jayewardenepura

- Duration   :   04 years

- Medium   :   English

2.3.32   Applied Chemistry
(Course Code - 118)

Minimum eligibility requirements for admission :

Passes in Chemistry, Physics and the third subject from the following subjects at the Advanced Level Examination.

- Biology
- Combined Mathematics
- Mathematics
- Higher Mathematics
- Agricultural Science

- Degree Programme   :   Bachelor of Science Honours in Applied Chemistry [BScHons (App Chem)]

- Available University   :   University of Kelaniya

- Duration   :   04 years

- Medium   :   English

2.3.33   Indigenous Medicinal Resources
(Course Code - 120)

Minimum eligibility requirements for admission :

Passes for any three subjects from the following list of subjects at the Advanced Level Examination;

- Chemistry
- Physics
- Biology
- Agricultural Science

- Degree Programme   : Bachelor of Science Honours in Indigenous Medicinal Resources [BScHons (Indigenous Medicinal Resources)]

- Available University   : Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration   : 04 years

- Medium   : English

2.3.34   Aquatic Bioresources
(Course Code - 129)

Minimum eligibility requirements for admission :

Passes in three subjects in Biological Science Stream at the Advanced Level Examination.

- Degree Programmes   : Bachelor of Science in Aquatic Bioresources
  [BSc (Aquatic Bioresources)]
  Duration: 03 years

  Bachelor of Science Honours in Aquatic Bioresources
  [BScHons (Aquatic Bioresources)]
  Duration: 04 years

- Available University   : University of Sri Jayewardenepura

- Medium   : English

2.3.35   Urban Bioresources
(Course Code - 130)

Minimum eligibility requirements for admission :

Passes in three subjects in Biological Science Stream at the Advanced Level Examination.

- Degree Programmes   : Bachelor of Science in Urban Bioresources
  [BSc (Urb Bioresources)]
  Duration: 03 years

  Bachelor of Science Honours in Urban Bioresources
  [BScHons (Urb Bioresources)]
  Duration: 04 years

- Available University : University of Sri Jayewardenepura

- Medium : English

2.3.36 Medical Imaging Technology (Course Code - 138)

Minimum eligibility requirements for admission :

Passes in Physics, Biology and Chemistry at the Advanced Level Examination.

- Degree Programme : Bachelor of Science Honours in Medical Imaging Technology [BScHons (M Im Tech)]

- Available University : University of Colombo

- Duration : 04 years

- Medium : English

2.3.37 Speech and Hearing Sciences (Course Code - 083)

Minimum eligibility requirements for admission :

Passes in Biology, Physics and Chemistry at the Advanced Level Examination.

- Degree Programme : Bachelor of Science Honours in Speech and Hearing Sciences

- Available University : University of Kelaniya

- Duration : 04 years

- Medium : English

This degree is offered with specializations in Speech and Language Therapy or Audiology which are conducted by Faculty of Medicine of the University of Kelaniya.

Candidates who have offered subjects in the Biological Science Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Law
- Architecture
- Design
- Fashion Design & Product Development
- Management Studies (TV)
- Information Technology (IT)
- Management and Information Technology (MIT)
- Urban Informatics and Planning
- Peace and Conflict Resolution
- Information and Communication Technology (ICT)
- Science and Technology
- Computer Science & Technology
- Entrepreneurship and Management
- Industrial Information Technology
- Mineral Resources and Technology
- Management and Information Technology (SEUSL)
- Physical Education
- Sports Science & Management
- Hospitality, Tourism and Events Management
- Information Technology & Management
- Tourism & Hospitality Management
- Information Systems
- Landscape Architecture
- Film & Television Studies
- Project Management
- Marine and Fresh Water Sciences
- Food Business Management
- Geographical Information Science
- Human Resource Development
- Health Tourism and Hospitality Management
- Indigenous Pharmaceutical Technology
- Yoga and Parapsychology
- Social Studies in Indigenous Knowledge
- English Language & Applied Linguistics
- Creative Music Technology and Production
- Plantation Management and Technology
- Primary Education
- Polymer Science and Industrial Management

2.4   PHYSICAL SCIENCE STREAM

2.4.1   Engineering
(Course Code - 008)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination.

Fields of specialization available in each university are :

University of Peradeniya:
- Civil Engineering
- Chemical & Process Engineering
- Computer Engineering
- Electrical & Electronic Engineering
- Mechanical Engineering
- Manufacturing & Industrial Engineering

University of Moratuwa:
- Biomedical Engineering
- Electrical Engineering
- Chemical & Process Engineering
- Electronic and Telecommunication Engineering
- Civil Engineering
- Mechanical Engineering
- Computer Science & Engineering
- Materials Science & Engineering

University of Ruhuna:
- Civil and Environmental Engineering
- Electrical and Information Engineering
- Mechanical and Manufacturing Engineering
- Marine Engineering & Naval Architecture
- Computer Engineering

University of Jaffna:
- Civil Engineering
- Electrical and Electronic Engineering
- Mechanical Engineering
- Computer Engineering

South Eastern University of Sri Lanka:
- Civil Engineering
- Electrical Engineering #
- Electronic Engineering #
- Mechanical Engineering

\# For the time being Electrical Engineering and Electronic Engineering will be combined and offered as 'Electrical & Electronic Engineering'.

University of Sri Jayewardenepura:
- Civil Engineering
- Computer Engineering
- Electrical and Electronic Engineering
- Mechanical Engineering

Selection for a particular field of specialization specified above would be done by the University to which the candidate has been admitted.

2.4.2 Engineering (EM) - Earth Resources Engineering
(Course Code - 009)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination.

- Degree Programme : Bachelor of the Science of Engineering Honours in Earth Resources Engineering

- Available University : University of Moratuwa

- Duration : 04 years

2.4.3 Engineering (TM) - Textile & Apparel Engineering
(Course Code - 010)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination.

- Degree Programme : Bachelor of the Science of Engineering Honours in Textile & Apparel Engineering
[BScEngHons (Textile & Apparel Engineering)]

- Available University : University of Moratuwa

- Duration : 04 years

2.4.4 Transport Management & Logistics Engineering (TMLE)
(Course Code - 057)

Minimum eligibility requirements for admission :

Three passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination.

- Degree Programme : Bachelor of the Science of Engineering Honours in Transport Management & Logistics Engineering
[BScEngHons (Transport Management & Logistics Engineering)]

- Available University : University of Moratuwa

- Duration : 04 years

2.4.5 Physical Science
(Course Code - 013)

Minimum eligibility requirements for admission :

Passes in following three subjects at the Advanced Level Examination and the three subjects must include;

1. Combined Mathematics or Higher Mathematics
   and
2. Chemistry or Physics
   and
3. The third subject from the list given below;
   - Agricultural Science
   - Combined Mathematics
   - Biology
   - Higher Mathematics
   - Chemistry
   - Physics

- Degree Programme   :   Bachelor of Science in Physical Science

- Available Universities :   University of Colombo
                             University of Peradeniya
                             University of Sri Jayewardenepura
                             University of Kelaniya
                             University of Jaffna
                             University of Ruhuna
                             Eastern University, Sri Lanka
                             South Eastern University of Sri Lanka

2.4.6 Computer Science
(Course Code - 012)

Minimum eligibility requirements for admission :

At least a pass in Combined Mathematics or Physics or Higher Mathematics;
                            and
At least passes in two other subjects listed below at the Advanced Level Examination;
   - Combined Mathematics
   - Higher Mathematics
   - Mathematics
   - Physics
   - Chemistry
   - Information & Communication Technology

- Degree Programme   :   Bachelor of Science in Computer Science

- Available Institutions :   University of Colombo School of Computing (UCSC)
                             University of Jaffna
                             University of Ruhuna
                             Trincomalee Campus, Eastern University, Sri Lanka

- Duration   :   03 years

- Medium   :   English

In addition, following Universities/ Institutes offer 04 year Honours degrees:

- Bachelor of Science Honours in Computer Science
  Available Institute : University of Colombo School of Computing (UCSC)

- Bachelor of Science Honours in Software Engineering
  Available Institute : University of Colombo School of Computing (UCSC)

- Bachelor of Science Honours in Computer Science [BScHons (ComputerSc)]
  Available University : University of Kelaniya

- Bachelor of Science Honours in Computer Science [BScHons (Computer Science)]
  Available University : University of Jaffna

- Bachelor of Computing Honours in Computer Science [BCompHons (Comp Sc)]
  Available University : University of Sri Jayewardenepura

2.4.7 Applied Sciences (Physical Science)
(Course Code - 015)

Minimum eligibility requirements for admission :

Passes in following three subjects at the Advanced Level Examination and the three subjects must include;

1. Combined Mathematics or Higher Mathematics
     and
2. Chemistry or Physics
     and
3. The third subject from the list given below;
   - Agricultural Science
   - Combined Mathematics
   - Biology
   - Higher Mathematics
   - Chemistry
   - Physics
   - Information & Communication Technology

Details of the degree programmes under Applied Sciences (Physical Science) in different universities are given below:

Rajarata University of Sri Lanka:

- Bachelor of Science in Applied Sciences
  Duration: 03 years

- Bachelor of Science Honours in Applied Sciences
  Duration: 04 years

- Bachelor of Science Honours (Joint Major) in Applied Sciences
  Duration: 04 years

- Bachelor of Science Honours in Industrial Mathematics
  Duration: 04 years

- Bachelor of Science Honours in Chemistry
  Duration: 04 years

Sabaragamuwa University of Sri Lanka:

- Bachelor of Science (Applied Sciences) Honours in Chemical Technology
- Bachelor of Science (Applied Sciences) Honours in Computer Science & Technology
- Bachelor of Science (Applied Sciences) Honours in Applied Physics
- Bachelor of Science (Applied Sciences) in Physical Sciences

University of Vavuniya, Sri Lanka:

- Bachelor of Science in Applied Mathematics & Computing
  Duration: 03 years

- Bachelor of Science Honours in Computer Science
  Duration: 04 years

Trincomalee Campus, Eastern University, Sri Lanka:

- Bachelor of Science in Applied Physics and Electronics
- Bachelor of Science Honours in Applied Physics
- Bachelor of Science Honours in Electronics

Wayamba University of Sri Lanka:

- Bachelor of Science   (English Medium, 03 years)
- Bachelor of Science (Joint Major) in Major 1 and Major 2 †   (English Medium, 04 years)
- Bachelor of Science Honours in Applied Electronics   (English Medium, 04 years)
- Bachelor of Science Honours in Industrial Management   (English Medium, 04 years)
- Bachelor of Science Honours in Mathematics with Statistics (English Medium, 04 years)

† Major 1 and Major 2 are two subjects from among the Computing & Information Systems, Electronics, Industrial Management, Mathematics & Mathematical Modeling and Statistics.

2.4.8 Industrial Statistics & Mathematical Finance
(Course Code - 059)
(Proposed Intake - 121)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics and any two subjects given below at the Advanced Level Examination;
- Higher Mathematics
- Physics
- Chemistry
- Information & Communication Technology

- Degree Programmes   :   Bachelor of Science
                                Duration : 03 years

                                Bachelor of Science Honours in Industrial Statistics
                                Duration : 04 years

                                Bachelor of Science Honours in Mathematical Finance
                                Duration : 04 years

- Available University   :   University of Colombo

2.4.9 Statistics & Operations Research
(Course Code - 060)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics and two of the following subjects at the Advanced Level Examination;

- Biology
- Chemistry
- Physics
- Agricultural Science
- Mathematics
- Higher Mathematics
- Information & Communication Technology

- Degree Programme : Bachelor of Science Honours in Statistics and Operations Research

- Available University : University of Peradeniya

- Duration : 04 years

2.4.10 Physical Science - Information and Communication Technology
(Physical Science - ICT)
(Course Code - 108)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics, Physics and Information & Communication Technology at the Advanced Level Examination.

- Degree Programmes and Universities : Bachelor of Science in Physics and Electronics University of Kelaniya

  Bachelor of Science in Physics and ICT [BSc (PICT)] University of Sri Jayewardenepura

- Duration : 03 years

The respective Faculties of the University to which the student has been admitted will do the selection for a particular degree programme within a University.

2.4.11 Artificial Intelligence
(Course Code - 117)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics or Physics or Higher Mathematics;

and

Passes in two other subjects listed below at the Advanced Level Examination;

- Combined Mathematics
- Higher Mathematics
- Mathematics
- Physics

- Chemistry
- Information & Communication Technology

- Degree Programme : Bachelor of Science Honours in Artificial Intelligence [BScHons (AI)]

- Available University : University of Moratuwa

- Duration : 04 years

- Medium : English

2.4.12 Electronics and Computer Science (Course Code - 119)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics or Physics or Higher Mathematics
and;
Should have passed the three subjects at the Advanced Level Examination including Physics and Combined Mathematics or Higher Mathematics and the third subject from the list given below,

- Chemistry
- Combined Mathematics
- Higher Mathematics
- Information & Communication Technology

- Degree Programmes : Bachelor of Science in Electronics and Computer Science [BSc (Elnc & Comp Sc)]
Duration : 03 years

Bachelor of Science Honours in Electronics and Computer Science
[BScHons (Elnc & Comp Sc)]
Duration : 04 years

- Available University : University of Kelaniya

- Medium : English

2.4.13 Data Science (Course Code - 136)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics or Physics or Higher Mathematics;
and
Passes in two of the following subjects at the Advanced Level Examination;

- Combined Mathematics
- Physics
- Higher Mathematics
- Chemistry
- Information & Communication Technology

- Degree Programme   :   Bachelor of Science Honours in Data Science [BScHons (Dat Sc)]

- Available University   :   Sabaragamuwa University of Sri Lanaka

- Duration   :   04 years

- Medium   :   English

Candidates who have offered subjects in the Physical Science Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Quantity Surveying
- Architecture
- Design
- Fashion Design & Product Development
- Law
- Management Studies (TV)
- Surveying Science
- Information Technology (IT)
- Management and Information Technology (MIT)
- Urban Informatics and Planning
- Peace and Conflict Resolution
- Information and Communication Technology (ICT)
- Facilities Management
- Science and Technology
- Computer Science & Technology
- Entrepreneurship and Management
- Physiotherapy
- Industrial Information Technology
- Mineral Resources and Technology
- Physical Education
- Sports Science & Management
- Management and Information Technology (SEUSL)
- Hospitality, Tourism and Events Management
- Information Technology & Management
- Tourism & Hospitality Management
- Information Systems
- Landscape Architecture
- Software Engineering
- Film & Television Studies
- Marine and Fresh Water Sciences
- Food Business Management
- Business Science
- Geographical Information Science

- Financial Mathematics and Industrial Statistics
- Human Resource Development
- Applied Chemistry
- Health Tourism and Hospitality Management
- Yoga and Parapsychology
- Social Studies in Indigenous Knowledge
- English Language and Applied Linguistics
- Creative Music Technology and Production
- Plantation Management and Technology
- Primary Education
- Polymer Science and Industrial Management

2.5 ENGINEERING TECHNOLOGY STREAM

2.5.1 Engineering Technology (ET)
(Course Code - 102)

Minimum eligibility requirements for admission :

Passes for Engineering Technology (ET), Science for Technology (SFT) and for third subject from among;

- Economics
- Geography
- Home Economics
- English
- Communication and Media Studies
- Information & Communication Technology
- Art
- Business Studies
- Agricultural Science
- Accountancy
- Mathematics

Bachelor of Engineering Technology Honours [BET(Hons)] degree programme is available in following Universities;

University of Sri Jayewardenepura
Bachelor of Engineering Technology Honours

University of Kelaniya
Bachelor of Engineering Technology Honours

University of Jaffna
Bachelor of Engineering Technology Honours

University of Ruhuna
Bachelor of Engineering Technology Honours

Rajarata University of Sri Lanka
Bachelor of Engineering Technology Honours

Wayamba University of Sri Lanka
Bachelor of Engineering Technology Honours

Uva Wellassa University of Sri Lanka
Bachelor of Engineering Technology Honours in Mechanical Engineering Technology

University of Colombo
Bachelor of Engineering Technology Honours in Instrumentation and Automation

Sabaragamuwa University of Sri Lanka
Bachelor of Engineering Technology Honours

Candidates who have offered subjects in the Engineering Technology Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Management Studies (TV)
- Information Technology (IT)
- Peace and Conflict Resolution
- Information and Communication Technology (ICT)
- Sports Science & Management
- Physical Education
- Fashion Design & Product Development
- Design
- Industrial Information Technology
- Management and Information Technology (SEUSL)
- Film & Television Studies
- Project Management
- Teaching English as a Second Language (TESL)
- Human Resource Development
- Health Information and Communication Technology
- Health Tourism and Hospitality Management
- Biomedical Technology
- Indigenous Pharmaceutical Technology
- Yoga and Parapsychology
- Social Studies in Indigenous Knowledge
- English Language and Applied Linguistics
- Creative Music Technology and Production
- Primary Education
- Information Systems

2.6   BIOSYSTEMS TECHNOLOGY STREAM

2.6.1   Biosystems Technology (BST)
(Course Code - 103)

Minimum eligibility requirements for admission :

Passes for Biosystems Technology (BST), Science for Technology (SFT) and for third subject from among;

- Economics
- Geography
- Home Economics
- English
- Communication and Media Studies
- Information & Communication Technology
- Art
- Business Studies
- Agricultural Science
- Accountancy
- Mathematics

Bachelor of Biosystems Technology Honours [BBST(Hons)] degree programme is available in following universities;

University of Sri Jayewardenepura
Bachelor of Biosystems Technology Honours

University of Jaffna
Bachelor of Biosystems Technology Honours in Commercial Green Farming
Bachelor of Biosystems Technology Honours in Food Production

Eastern University, Sri Lanka
Bachelor of Biosystems Technology Honours in Agricultural Technology and Entrepreneurship

South Eastern University of Sri Lanka
Bachelor of Biosystems Technology Honours in Agricultural Technology

Rajarata University of Sri Lanka
Bachelor of Biosystems Technology Honours

Wayamba University of Sri Lanka
Bachelor of Biosystems Technology Honours

Uva Wellassa University of Sri Lanka
Bachelor of Biosystems Technology Honours

University of Colombo
Bachelor of Biosystems Technology Honours in Environmental Technology
Bachelor of Biosystems Technology Honours in Agriculture

Sabaragamuwa University of Sri Lanka
   Bachelor of Biosystems Technology Honours

University of Ruhuna
   Bachelor of Biosystems Technology Honours

University of Kelaniya
   Bachelor of Biosystems Technology Honours

Candidates who have offered subjects in the Biosystems Technology Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Management Studies (TV)
- Information Technology (IT)
- Peace and Conflict Resolution
- Information and Communication Technology (ICT)
- Sports Science & Management
- Physical Education
- Fashion Design & Product Development
- Design
- Industrial Information Technology
- Management and Information Technology (SEUSL)
- Film & Television Studies
- Project Management
- Teaching English as a Second Language (TESL)
- Human Resource Development
- Health Information and Communication Technology
- Health Tourism and Hospitality Management
- Biomedical Technology
- Indigenous Pharmaceutical Technology
- Yoga and Parapsychology
- Social Studies in Indigenous Knowledge
- English Language and Applied Linguistics
- Creative Music Technology and Production
- Primary Education
- Information Systems

**2.7   Information Communication Technology
(Course Code - 104)**

Minimum eligibility requirements for admission :

Passes for Information & Communication Technology (ICT), Science for Technology (SFT) and Engineering Technology (ET) or Biosystems Technology (BST).

Bachelor of Information and Communication Technology Honours [BICT(Hons)] degree programme is available in following Universities;

University of Sri Jayewardenepura
Bachelor of Information and Communication Technology Honours

University of Kelaniya
Bachelor of Information and Communication Technology Honours

University of Vavuniya, Sri Lanka
Bachelor of Information and Communication Technology Honours

University of Ruhuna
Bachelor of Information and Communication Technology Honours

South Eastern University of Sri Lanka
Bachelor of Information and Communication Technology Honours

Rajarata University of Sri Lanka
Bachelor of Information and Communication Technology Honours

University of Colombo
Bachelor of Information and Communication Technology Honours

Uva Wellassa University of Sri Lanka
Bachelor of Information and Communication Technology Honours

Eastern University, Sri Lanka
Bachelor of Information and Communication Technology Honours

Candidates who are eligible for the course of study in Information Communication Technology at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Management Studies (TV)
- Peace and Conflict Resolution
- Information and Communication Technology (ICT)
- Sports Science & Management
- Physical Education
- Fashion Design & Product Development
- Design
- Industrial Information Technology

- Management and Information Technology (SEUSL)
- Film & Television Studies
- Project Management
- Human Resource Development
- Health Tourism and Hospitality Management
- Yoga and Parapsychology
- Social Studies in Indigenous Knowledge
- English Language and Applied Linguistics
- Creative Music Technology and Production
- Primary Education
- Information Systems

Three specific degree programmes are offered under the Technology Stream. They are Bachelor of Engineering Technology Honours [BET(Hons)], Bachelor of Biosystems Technology Honours [BBST(Hons)] and Bachelor of Information and Communication Technology Honours [BICT(Hons)]. All these degrees are designed to satisfy the market and industrial needs of the country. The Bachelor of Engineering Technology Honours [BET(Hons)] degrees are designed based on the Accreditation Manual prepared by the Institution of Engineers, Sri Lanka following the attributes of the Sydney Accord. The Bachelor of Information and Communication Technology Honours [BICT(Hons)] degrees are formulated according to the guidelines given by the Computer Society of Sri Lanka. With the commencement of the National Biotechnology Industry Association (NBIA) in September 2016, University Grants Commission identified National Biotechnology Industry Association (NBIA) as the relevant professional body for this sector in Sri Lanka to accredit Biosystems Technology degree programmes. All these courses contain a minimum of 120 credits.

2.8 COURSES OF STUDY FOR WHICH STUDENTS FROM DIFFERENT SUBJECT STREAMS ARE ELIGIBLE

2.8.1 Information Technology (IT)
(Course Code - 026)

Minimum eligibility requirements for admission :

Three passes including one of the following subjects at the Advanced Level Examination;
- Higher Mathematics
- Combined Mathematics
- Mathematics
- Physics

- Degree Programme : Bachelor of Science Honours in Information Technology

- Available University : University of Moratuwa

- Duration : 04 years

2.8.2 Management and Information Technology (MIT)
(Course Code - 027)

Minimum eligibility requirements for admission :

Having obtained a pass in one of the subjects; Higher Mathematics, Combined Mathematics, Mathematics or Physics

(i). Three subjects at the Advanced Level Examination in Biological Science Stream or Physical Science Stream;

or

(ii). Two subjects from the Biological Science Stream or Physical Science Stream and Information & Communication Technology as the third subject.

40% from the proposed intake of this course of study will be selected from the Biological Science Stream and the remaining will be selected from other relevant subject combinations.

- Degree Programme : Bachelor of Science Honours in Management & Information Technology

- Available University : University of Kelaniya

- Duration : 04 years

* At the end of 1ˢᵗ year of study, students are selected to follow either Bachelor of Science Honours in Management and Information Technology <u>or</u> Bachelor of Science Honours in Information Technology based on their preference and performance.

2.8.3   Quantity Surveying
(Course Code - 011)

Minimum eligibility requirements for admission :

Should have obtained passes for at least one of the following subjects at the Advanced Level Examination;

- Combined Mathematics
- Higher Mathematics

and other subject/subjects from the following list;

- Accounting
- Economics
- Business Statistics
- Business Studies
- Physics
- Chemistry
- Information & Communication Technology

- Degree Programme   :   Bachelor of Science Honours in Quantity Surveying

- Available University   :   University of Moratuwa

- Duration   :   04 years

2.8.4   Surveying Science
(Course Code - 014)

Minimum eligibility requirements for admission :

Passes in Physics, Combined Mathematics and in any other subject available at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Science in Surveying Science

- Available University   :   Sabaragamuwa University of Sri Lanka

- Duration   :   04 years

2.8.5   Urban Informatics and Planning
(Course Code - 030)

Minimum eligibility requirements for admission :

I   Passes in three subjects from the following subjects at the Advanced Level Examination.

- Combined Mathematics
- Chemistry
- Physics
- Biology
  or

II   One or two subject/s from the above and the other subject/ subjects from the following subjects.

- Accounting
- Agricultural Science
- Geography
- Higher Mathematics

- Business Studies
- Business Statistics
- Information & Communication Technology
- Economics
- Political Science

- Logic & Scientific Methods
- Mathematics
- Biosystems Technology
- Science for Technology
- Engineering Technology

- Degree Programme   :   Bachelor of Science Honours in Urban Informatics and Planning [BScHons (Urb Informatics & Plan)]

- Available University :   University of Moratuwa

- Duration   :   04 years

Note:

The degree programme, 'Bachelor of Science Honours in Town & Country Planning' will be changed as ' Bachelor of Science Honours in Urban Informatics and Planning' from the academic year 2024/2025 onwards.

2.8.6   Architecture
(Course Code - 023)

Minimum eligibility requirements for admission :

A candidate should have obtained passes at the Advanced Level Examination in;

(i) At least one of the following subjects;

- Art
- Higher Mathematics
- Combined Mathematics
- Geography

- Chemistry
- Biology
- Physics

and

(ii) The other subject/ subjects from the following list;

- Accounting
- Hindu Civilization
- Business Statistics
- Islamic Civilization
- Greek & Roman Civilization
- Political Science
- English
- Sinhala
- Communication & Media Studies
- Christian Civilization
- Hindi
- Buddhist Civilization
- Home Economics
- Chinese
- Logic & Scientific Method

- Mathematics
- Sanskrit
- German
- Information & Communication Technology
- Arabic
- History
- Business Studies
- Japanese
- Economics
- Pali
- French
- Tamil
- Agricultural Science

In addition, candidates may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

- Degree Programme   :   Bachelor of Architecture

- Available University   :   University of Moratuwa

- Duration   :   05 years

2.8.7 Fashion Design & Product Development (Course Code - 034)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

In addition, candidates may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

- Degree Programme   :   Honours Degree in Bachelor of Design (B Des Hons)

- Available University   :   University of Moratuwa

- Duration   :   04 years

It is desirable that the candidates have a

- Keen interest in Fashion and Textile Design
- Commitment to individual project based learning
- Genuine interest and passion in creative applied arts and culture, heritage, fine art, fashion and lifestyle trends, movie, theatre and music etc.

The course will be conducted in a semester–based system of study and offers modules relating to following two areas of study and the selection of students to these areas is done according to a set criterion that is based on first year results and students choice.

1. **Fashion Design**
   Develop core skills including design research, concept development, fashion product design and development (pattern making and garment technology) marketing (strategic marketing, consumer behavior and branding)

2. **Textile Design**
   Develop core skills including design research, concept development, textile product design and development (handloom/ power loom weaving, knitting, constructed textiles, and other textile surface developments such as colouring, printing and finishing methods), marketing (strategic marketing, consumer behavior and branding).

   Students will be responsible for the creation of a higher standard final portfolio including the sourcing of required materials.

   This Degree course blends individual creativity with commercial realism and graduates will be able to apply skills and knowledge of the professional design practice from concept to final product aligned to a specific customer, brand and market.

2.8.8   Landscape Architecture
(Course Code - 097)

Minimum eligibility requirements for admission :

A candidate should have obtained passes at the Advanced Level Examination in;

(i) At least one of the following subjects;

- Art
- Biology
- Chemistry
- Combined Mathematics

- Geography
- Higher Mathematics
- Physics
- Agricultural Science

and

(ii) The other subject/ subjects from the following list;

- Accounting
- Arabic
- Buddhist Civilization
- Business Statistics
- Business Studies
- Chinese
- Greek & Roman Civilization
- Economics
- Mathematics
- English
- French
- German
- Tamil
- Christian Civilization

- Hindi
- Hindu Civilization
- History
- Home Economics
- Islamic Civilization
- Japanese
- Logic & Scientific Method
- Political Science
- Pali
- Sanskrit
- Sinhala
- Communication & Media Studies
- Information & Communication Technology

In addition, candidates may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

- Degree Programme   :   Bachelor of Landscape Architecture
- Available University   :   University of Moratuwa
- Duration   :   04 years

2.8.9   Design
(Course Code - 024)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

In addition, candidates may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

- Degree Programme   :   Bachelor of Design Honours
- Available University   :   University of Moratuwa
- Duration   :   04 years

This course of study offers following three fields of specialization, and the selection of students to these fields of specialization will be made at the end of first semester of the level two of study.

i. Fashion and Lifestyle Design:
Develop core skills related to Fashion Design & Technology, Costume design, Textile design, Jewellery design, and Fashion Accessory Design.

ii. Media and Communication Design:
Develop core skills related to Editorial Design, User Experience Design, Interaction Design, Advertising, Packaging Design, and Still & Moving Image Design.

iii. Product Design:
Develop core skills related to Product/ Industrial Design, Furniture Design, Ceramic Design, Consumer Electronics Design, Exhibition and Display Design, Toys and Games Design, and Packaging Design.

2.8.10   Law
(Course Code - 025)

Minimum eligibility requirements for admission :

A candidate should have obtained passes for;

(i) Three subjects from the following list at the Advanced Level Examination;

- Accounting
- Agricultural Science
- Biology
- Business Statistics
- Business Studies
- Chemistry
- Physics
- Communication & Media Studies
- Political Science
- Geography
- Higher Mathematics
- History
- Logic & Scientific Method
- Economics
- Mathematics/ Combined Mathematics
- Information & Communication Technology

or

(ii) One or two subjects from the above list and the other subject/ subjects from the following list;

- Buddhism/ Buddhist Civilization
- Christianity / Christian Civilization
- Greek & Roman Civilization
- Japanese
- Pali
- Sanskrit
- Sinhala
- Tamil
- Hinduism/ Hindu Civilization
- Islam/ Islamic Civilization
- Chinese
- English
- French
- German
- Arabic
- Hindi
- Russian

- Degree Programme   :   Bachelor of Laws

- Available Universities   :   University of Colombo
                                           University of Peradeniya
                                           University of Jaffna

- Duration   :   04 years

- Medium   :   English

Important:

Since the candidates who opt to practice as attorneys are required to complete the professional qualification offered by the Sri Lankan Law College, please refer to the Gazette Extraordinary No.2208/ 13 published in this regard on 30/ 12/ 2020 for more information.

2.8.11   Facilities Management
(Course Code - 056)

Minimum eligibility requirements for admission :

Candidates should have fulfilled the relevant minimum qualifications indicated under one of the following two categories at the Advanced Level Examination.

Category (A)
Should have obtained passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination.

Category (B)
Should have obtained passes in Business Studies, Economics and Accounting at the Advanced Level Examination;

or

Two subjects including Accounting from the above Category (B) and the other subject from the following subjects.

- Agricultural Science
- Geography
- German
- Combined Mathematics
- History
- Political Science
- English
- Logic & Scientific Methods
- French
- Physics
- Information & Communication Technology

- Degree Programme   :   Bachelor of Science Honours in Facilities Management [BScHons (FM)]

- Available University :   University of Moratuwa

- Duration   :   04 years

2.8.12   Management and Information Technology (SEUSL)
(Course Code - 079)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

This degree programme has combined course units of Management and Information Technology.

- Degree Programme : Bachelor of Science in Management and Information Technology (B.Sc. in MIT)

- Available University : South Eastern University of Sri Lanka

- Duration : 03 years

2.8.13   Science and Technology (Course Code - 064)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

or

Passes in following three subjects at the Advanced Level Examination and the three subjects must include;

1. Combined Mathematics or Higher Mathematics

    and

2. Chemistry or Physics

    and

3. The third subject from the list given below;

    - Agricultural Science
    - Combined Mathematics
    - Biology
    - Higher Mathematics
    - Chemistry
    - Physics

- Degree Programme : Bachelor of Science Honours in Science & Technology [BScHons (Science Tec)]

- Available University : Uva Wellassa University of Sri Lanka

- Duration : 04 years

- Medium : English

Students will be selected for one of the following specializations at the beginning of the third academic year.

- Food Engineering and Bioprocess Technology
  Degree Programme : Bachelor of Science Honours in Science & Technology in Food Engineering and Bioprocess Technology [BScHons (Science Tec) (FEBT)]

- Materials Science and Technology
  Degree Programme : Bachelor of Science Honours in Science & Technology in Materials Science and Technology [BScHons (Science Tec) (MST)]

- Mechatronics

  Degree Programme   :   Bachelor of Science Honours in Science & Technology in Mechatronics

  [BScHons (Science Tec) (Mechatronics)]

In the final year all students should carry out an industrial training and a research project relevant to their area of interest.

2.8.14   Computer Science & Technology (Course Code - 065)

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

    or

Passes in following three subjects at the Advanced Level Examination and the three subjects must include;

1. Combined Mathematics or Higher Mathematics

    and

2. Chemistry or Physics

    and

3. The third subject from the list given below;

   - Combined Mathematics
   - Biology
   - Higher Mathematics
   - Chemistry
   - Physics
   - Information & Communication Technology

- Degree Programme   :   Bachelor of Science Honours in Computer Science and Technology [BScHons (CST)]

- Available University   :   Uva Wellassa University of Sri Lanka

- Duration   :   04 years

- Medium   :   English

In the final year all students should carry out an industrial training and an individual project relevant to their area of interest.

2.8.15 Entrepreneurship and Management
(Course Code - 066)

Minimum eligibility requirements for admission :

Passes in any three subjects in the Commerce Stream or Biological Science Stream or Physical Science Stream at the Advanced Level Examination.

- ▪ Degree Programme : Bachelor of Business Management Honours in Entrepreneurship and Management

- ▪ Available University : Uva Wellassa University of Sri Lanka

- ▪ Duration : 04 years

- ▪ Medium : English

In the final year all students should carry out an industrial training and a research project relevant to their area of interest.

2.8.16 Industrial Information Technology
(Course Code - 075)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics or Physics or Information & Communication Technology at the Advanced Level Examination;
   and
Passes for any other two subjects available at the Advanced Level Examination.

- ▪ Degree Programme : Bachelor of Science Honours in Industrial Information Technology [BScHons (IIT)]

- ▪ Available University : Uva Wellassa University of Sri Lanka

- ▪ Duration : 04 years

- ▪ Medium : English

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

2.8.17 Mineral Resources and Technology
(Course Code - 076)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination.

   (1). Biology, Chemistry, Physics
   (2). Combined Mathematics, Chemistry, Physics

- ▪ Degree Programme : Bachelor of Science Honours in Mineral Resources and Technology [BScHons (MRT)]

- ▪ Available University : Uva Wellassa University of Sri Lanka

- Duration   :   04 years

- Medium   :   English

Students will be selected for one of the following specializations at the beginning of the third academic year.

- Mineral Processing Technology
  Degree Programme   :   Bachelor of Science Honours in Mineral Resources and Technology in Mineral Processing Technology [BScHons (MRT) (MPT)]

- Water Science and Technology
  Degree Programme   :   Bachelor of Science Honours in Mineral Resources and Technology in Water Science and Technology [BScHons (MRT) (WST)]

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

2.8.18 Hospitality, Tourism and Events Management (Course Code - 090)

Minimum eligibility requirements for admission :

Passes in any three subjects in the Commerce Stream or Biological Science Stream or Physical Science Stream at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Business Management Honours in Hospitality, Tourism and Events Management

- Available University   :   Uva Wellassa University of Sri Lanka

- Duration   :   04 years

- Medium   :   English

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

2.8.19 Physical Education (Course Code - 081)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

In addition, candidates may pass the Practical Test as decided by the Universities concerned in order to become eligible for this course of study.

- Degree Programmes &   :   Bachelor of Science Honours in Physical Education
  Available Universities   Sabaragamuwa University of Sri Lanka

                                               Bachelor of Science Honours in Physical Education [BScHons (Physical Ed)] University of Jaffna

- Duration   :   04 years
- Medium   :   English

2.8.20   Sports Science & Management
(Course Code - 082)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

In addition, candidates may pass the Practical Test as decided by the Universities concerned in order to become eligible for this course of study.

- Degree Programmes &   :   Bachelor of Science Honours in Sports Science
  Available Universities   & Management
                                          Sabaragamuwa University of Sri Lanka

                                          Bachelor of Science Honours in Sports Science
                                          & Management [BScHons (SSM)]
                                          University of Sri Jayewardenepura

                                          Bachelor of Science Honours in Sports Science
                                          [BScHons (Sport Sc)]
                                          University of Kelaniya

- Duration   :   04 years
- Medium   :   English

2.8.21   Information Technology & Management
(Course Code - 091)

Minimum eligibility requirements for admission :

Passed the three subjects with two of the following subjects at the Advanced Level Examination.

- Higher Mathematics   - Chemistry
- Combined Mathematics   - Accounting
- Mathematics   - Business Statistics
- Physics   - Information & Communication Technology

- Degree Programme   :   Bachelor of Science Honours in Information Technology
                                     & Management

- Available University   :   University of Moratuwa

- Duration   :   04 years

- Medium   :   English

2.8.22   Tourism & Hospitality Management
(Course Code - 092)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination;

    (i)   Any three subjects in the Commerce, Biological Science and Physical Science Streams

    (ii) At least one of the following subjects and any other two subjects in the Arts Stream selected according to the conditions specified in the Section 2.1.1 of this handbook.
- Economics
- Geography
- Business Statistics

- Degree Programmes & : Sabaragamuwa University of Sri Lanka
  Available Universities   Bachelor of Science Honours in Tourism Management
  Bachelor of Science Honours in Hospitality Management

  Rajarata University of Sri Lanka
  Bachelor of Science Honours in Tourism Management
  Bachelor of Science Honours in Tourism & Hospitality Management

- Duration   : 04 years

- Medium   : English

2.8.23   Information Systems
(Course Code - 096)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics or Physics or Information & Communication Technology at the Advanced Level Examination;
       and
Passes for any other two subjects available at the Advanced Level Examination.

- Degree Programmes & : Bachelor of Science in Information Systems
  Available Institutions   University of Colombo, School of Computing (UCSC)
  Duration : 03 years

  Bachelor of Computing Honours in Information Systems
  [BCompHons (Inf Sys)]
  University of Sri Jayewardenepura
  Duration : 04 years

  Bachelor of Science Honours in Information Systems
  [BScHons (Inf Sys)]
  Sabaragamuwa University of Sri Lanka
  Duration : 04 years

- Medium   : English

Based on the performance and preference of students, a selected number of students will be able to follow a four year degree course at the UCSC leading to the degree of Bachelor of Science Honours in Information Systems.

2.8.24   Translation Studies
(Course Code - 098)

Minimum eligibility requirements for admission :

Should have passed three subjects including Sinhala or Tamil at the Advanced Level Examination;
                            and

Pass for English Language at the Advanced Level Examination.

- Degree Programmes &   :   Bachelor of Arts Honours in Translation Studies
  Available Universities   (English / Sinhala)
                                     University of Kelaniya

                                     Bachelor of Arts Honours in Translation Studies
                                     (English / Sinhala)
                                     Sabaragamuwa University of Sri Lanka

                                     Bachelor of Arts Honours in Translation Studies
                                     (English / Tamil)
                                     University of Jaffna

                                     Bachelor of Arts Honours in Translation Studies
                                     (English / Tamil)
                                     Eastern University, Sri Lanka

- Duration   :   04 years

2.8.25   Film & Television Studies
(Course Code - 100)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

In addition, candidates may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

Therefore, the candidates who are interested in Film & Television disciplines and posses specific skills are expected to apply. The Aptitude Test may consist of either an interview, practical test or a written test or of all three components as decided by the University.

- Degree Programme   :   Bachelor of Arts Honours in Film & Television Studies

- Available University   :   University of Kelaniya

- Duration   :   04 years

2.8.26   Project Management
(Course Code - 101)

Minimum eligibility requirements for admission :

Passed the three subjects with two of the following subjects at the Advanced Level Examination;

- Accounting
- Business Studies
- Business Statistics
- Economics
- Geography
- Information & Communication Technology
- Mathematics/Combined Mathematics
- Biology
- Agricultural Science
- Engineering Technology
- Biosystems Technology

- Degree Programmes & Durations : Bachelor of Business Management in Project Management
  03 years

  Bachelor of Business Management Honours in Project Management [BBMHons (Project Management)]
  04 years

- Available University : University of Vavuniya, Sri Lanka

- Medium : English

2.8.27   Information and Communication Technology (ICT)
(Course Code - 038)

Minimum eligibility requirements for admission :

Pass in Combined Mathematics or Physics or Information & Communication Technology at the Advanced Level Examination;
                                    and
Passes for any other two subjects available at the Advanced Level Examination.

- Degree Programmes & Available Universities : Bachelor of Science in Information Technology [BSc (IT)]
  Rajarata University of Sri Lanka

  Bachelor of Science in Information Technology
  University of Vavuniya, Sri Lanka

- Duration : 03 years

Based on the performance and preference of students, a selected number of students will be able to offer an extra (fourth) year leading to the following degrees.

- Degree Programmes & Available Universities : Bachelor of Science Honours in Information Technology [BScHons (IT)]
  Rajarata University of Sri Lanka

  Bachelor of Science Honours in Information Technology
  University of Vavuniya, Sri Lanka

- Duration : 04 years

Medium of instructions is English only.

2.8.28   Software Engineering
(Course Code - 099)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics, Physics and third subject from the following list at the Advanced Level Examination;

- Chemistry
- Higher Mathematics
- Information & Communication Technology

- Degree Programmes &   :   Bachelor of Science Honours in Software Engineering
  Available Universities   University of Kelaniya
  Sabaragamuwa University of Sri Lanka

  Bachelor of Computing Honours in Software Engineering
  [BCompHons (Soft Eng)]
  University of Sri Jayewardenepura
- Duration   :   04 years

- Medium   :   English

2.8.29   Food Business Management
(Course Code - 107)

Minimum eligibility requirements for admission :

Candidates should have fulfilled the relevant minimum qualifications indicated under one of the following two categories at the Advanced Level Examination.

Category (A)

Should have sat for the Advanced Level Examination from Biological Science Stream or Physical Science Stream and obtained passes for any three subjects from Chemistry, Biology, Physics, Combined Mathematics or Agriculture.

Category (B)

Should have sat for the Advanced Level Examination from Commerce Stream and obtained passes for Business Studies, Economics and Accounting.

50% of the total number of students admitted for this programme will be selected from Category (A) where as remaining 50% will be selected from category (B).

- Degree Programme   :   Bachelor of Science Honours in Food Business Management

- Available University :   Sabaragamuwa University of Sri Lanka

- Duration   :   04 years

2.8.30   Marine and Fresh Water Sciences
(Course Code - 106)

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination;

    (i) Chemistry, Physics and Biology

           or

    (ii) Chemistry, Physics and Combined Mathematics

- Degree Programme   :   Bachelor of Science Honours in Marine and Freshwater Sciences

- Available University   :   University of Ruhuna

- Duration   :   04 years

- Fields of specialization :   Oceanography & Marine Geology
  Water Sciences & Technology

- Medium   :   English

2.8.31   Business Science
(Course Code - 109)

Minimum eligibility requirements for admission :

Passes in the three subjects in Physical Science Stream or Commerce Stream at the Advanced Level Examination

         or

Passes in the two subjects in Physical Science Stream or Commerce Stream and a pass in Information & Communication Technology as the third subject at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Business Science Honours

- Available University   :   University of Moratuwa

- Duration   :   04 years

- Fields of specialization :   Business Analytics
  Business Process Management
  Financial Services Management

- Medium   :   English

Please visit the URL business.mrt.ac.lk for more information.

2.8.32   Financial Engineering
(Course Code - 110)

Minimum eligibility requirements for admission :

Passes in Economics, Accounting and one of the following subjects at the Advanced Level Examination;

- Business Studies
- Information & Communication Technology
- Business Statistics
- Agricultural Science
- Geography

- Combined Mathematics
- History
- Political Science
- Physics
- Logic & Scientific Method

- Degree Programme   :   Bachelor of Business Management Honours in Financial Engineering

- Available University   :   University of Kelaniya

- Duration   :   04 years

- Medium   :   English

2.8.33   Geographical Information Science
(Course Code - 111)

Minimum eligibility requirements for admission :

Passes in any three subjects in the Arts Stream selected according to the conditions specified in the Section 2.1.1 of this handbook, Biological Science Stream or Physical Science Stream at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Science Honours in Geographical Information Science

- Available University   :   University of Peradeniya

- Duration   :   04 years

- Medium   :   English

2.8.34   Financial Mathematics and Industrial Statistics
(Course Code - 113)

Minimum eligibility requirements for admission :

Passes for Combined Mathematics and any other two subjects at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Science Honours in Financial Mathematics and Industrial Statistics
[BScHons (Fin. Math & Ind. Stat.)]

- Available University   :   University of Ruhuna

- Duration   :   04 years

- Medium   :   English

2.8.35 **Human Resource Development**
(Course Code - 114)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

- Degree Programme : Bachelor of Business Management Honours in Human Resource Development
  [BBMHons (Human Resource Development)]

- Available University : Uva Wellassa University of Sri Lanka

- Duration : 04 years

- Medium : English

2.8.36 **Health Information and Communication Technology**
(Course Code - 121)

Minimum eligibility requirements for admission :

Passes in any three subjects in Engineering Technology Stream or Biosystem Technology Stream at the Advanced Level Examination.

- Degree Programme : Bachelor of Health Science Honours in Health Information and Communication Technology
  [BHScHons (Health Information and Communication Technology)]

- Available University : Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration : 04 years

- Medium : English

2.8.37 **Health Tourism and Hospitality Management**
(Course Code - 122)

Minimum eligibility requirements for admission :

Passes in any three subjects in the Commerce Stream or Biological Science Stream or Physical Science Stream or Engineering Technology Stream or Biosystem Technology Stream at the Advanced Level Examination.

- Degree Programme : Bachelor of Science Honours in Health Tourism and Hospitality Management
  [BScHons (Health Tourism and Hospitality Management)]

- Available University : Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration : 04 years

- Medium : English

**2.8.38   Biomedical Technology
            (Course Code - 123)**

Minimum eligibility requirements for admission :

Passes in any three subjects in Engineering Technology Stream or Biosystem Technology Stream at the Advanced Level Examination.

- Degree Programme : Bachelor of Health Science Honours in Biomedical Technology
  [BHScHons (Biomedical Technology)]

- Available University : Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration : 04 years

- Medium : English

**2.8.39   Indigenous Phamaceutical Technology
            (Course Code - 124)**

Minimum eligibility requirements for admission :

Passes in any three subjects in Engineering Technology Stream or Biosystem Technology Stream at the Advanced Level Examination
<p align="center">or</p>
Passes in any three of the following list of subjects at the Advanced Level Examination.
- Chemistry
- Physics
- Biology
- Agricultural Science

- Degree Programme : Bachelor of Health Science Honours in Indigenous Pharmaceutical Technology
  [BHScHons (Indigenous Pharmaceutical Technology)]

- Available University : Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration : 04 years

- Medium : English

**2.8.40   Yoga and Parapsychology
            (Course Code - 125)**

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

- Degree Programme : Bachelor of Science Honours in Yoga and Parapsychology
  [BScHons (Yoga and Parapsychology)]

- Available University : Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration   :   04 years

- Medium   :   English

2.8.41   Social Studies in Indigenous Knowledge
(Course Code - 126)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Science Honours in Social Studies in Indigenous Knowledge
  [BScHons (Social Studies) (Indigenous Knowledge)]

- Available University   :   Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka

- Duration   :   04 years

- Medium   :   English

2.8.42   Financial Economics
(Course Code - 131)

Minimum eligibility requirements for admission :

Pass in Economics and passes for any other two subjects in Art Stream selected according to the conditions specified in the Section 2.1.1 of this handbook, or Commerce Stream at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Arts Honours in Financial Economics
  [BAHons (Fin Ec)]

- Available University   :   University of Sri Jayewardenepura

- Duration   :   04 years

- Medium   :   English

2.8.43   English Language & Applied Linguistics
(Course Code - 132)

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Arts Honours in English Language & Applied Linguistics
  [BAHons (English Lang & App Ling)]

- Available University   :   Uva Wellassa University of Sri Lanka

- Duration   :   04 years

- Medium   :   English

**2.8.44   Creative Music Technology and Production
(Course Code - 134)**

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Arts Honours in Creative Music
  Technology and Production
  [BAHons (Crtv Mus Tech & Prod)]

- Available University   :   University of Sri Jayewardenepura

- Duration   :   04 years

- Medium   :   Sinhala / English

**2.8.45   Plantation Management and Technology
(Course Code - 135)**

Minimum eligibility requirements for admission :

Passes for one of the following combinations of subjects at the Advanced Level
Examination;

    (1). Biology, Chemistry, Physics or Agricultural Science
    (2). Combined Mathematics, Chemistry, Physics

- Degree Programme   :   Bachelor of Science Honours in Plantation Management
  and Technology
  [BScHons (Plantation Mgt & Tech)]

- Available University   :   Uva Wellassa University of Sri Lanka

- Duration   :   04 years

- Medium   :   English

**2.8.46   Primary Education
(Course Code - 137)**

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

- Degree Programme   :   Bachelor of Education Honours in Primary Education
  [BEdHons (Prim Ed)]

- Available University   :   University of Colombo

- Duration   :   04 years

- Medium   :   Sinhala

2.8.47   **Polymer Science and Industrial Management**
                 (Course Code - 139)

                 Minimum eligibility requirements for admission :

Passes for one of the following combinations of subjects at the Advanced Level Examination;

         (1). Biology, Physics, Chemistry
         (2). Combined Mathematics, Physics, Chemistry

- Degree Programme   :   Bachelor of Science Honours in Polymer Science and Industrial Management
[BScHons (Polymer Sc & Indus Mgt)]

- Available University   :   University of Sri Jayewardenepura

- Duration   :   04 years

- Medium   :   English

PART THREE

UNI-CODES	ANNEXURE I

A unique code has been given to each individual course of study in a particular university /campus / institute. This unique code is referred to as "Uni-Code". In total, there are 261 "Uni-Codes".Please use these uni-codes to fill the Section 7 of the Application Form.

	COURSE OF STUDY	UNIVERSITY	UNI - CODE
✿	MEDICINE	UNIVERSITY OF COLOMBO	001A

APPLICATION FOR ADMISSION OF STUDENTS WITH FOREIGN QUALIFICATIONS TO UNDERGRADUATE COURSES OF THE UNIVERSITIES IN SRI LANKA

ACADEMIC YEAR 2024/2025

www.ugc.ac.lk

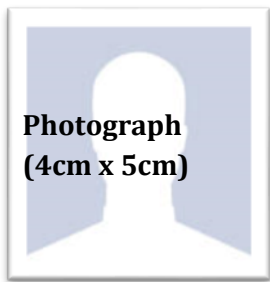

UNIVERSITY GRANTS COMMISSION
SRI LANKA

Notes for Guidance

1. This form should be used if you wish to apply for an undergraduate degree program in a Sri Lankan University as a student with Foreign Qualifications for the Academic Year 2024/2025.

2. Application form and the Admissions Handbook for the Students with Foreign Qualifications valid for the Academic Year 2024/2025 are available on the UGC website (www.ugc.ac.lk).

3. Before completing this form, please refer the Admissions Handbook for the Students with Foreign Qualifications valid for the Academic Year 2024/2025 to check your eligibility, course details and other vital information. In order to make your application successful you must meet all the necessary requirements, which can be found in the Admissions Handbook for the Students with Foreign Qualifications valid for the Academic Year 2024/2025.

4. When completing the form, please ensure that you provide your full name as appeared in your passport.

5. Please provide all the supporting documents in English, we require officially translated versions as well as copies in the original language.

6. Please provide originals/certified copies of all the supporting documents duly authenticated by relevant authorities as specified in the Section 10.2 of the Part I of this Handbook.

7. Every application should be accompanied by a Draft of US $ 100 payable to the University Grants Commission, being the application processing fee. You can transfer this amount telegraphically as well. *(Refer Section 6 (b) of the Part I of this handbook)*

8. Do not leave any section of this application unanswered. Please write "N/A" in all irrelevant sections.

9. Application should be A4 sized. When preparing your application & documents for submission, place your application first followed by the supporting documents. You should not separate the pages of the application and place supporting documents in between the application pages. Application & supporting documents should be bound in an easily detachable way. Avoid any kind of permanent binding such as spiral binding or staples.

10. All the applications should be forwarded to Deputy Secretary/University Admissions, University Grants Commission, No 20, Ward Place, Colombo 07, Sri Lanka on or before the closing date.

11. Children of Sri Lankan diplomats seeking admission to Universities in Sri Lanka should forward their applications through the Secretary, Ministry of Foreign Affairs, Foreign Employment & Tourism, Republic Building, Sir Baron Jayathilake Mawatha, Colombo 01, Sri Lanka to reach Deputy Secretary/University Admissions, University Grants Commission, No 20, Ward Place, Colombo 07, Sri Lanka on or before the closing date.

12. All applications will be acknowledged *(via e-mails)* within two weeks of receiving the applications.

13. If you have any questions about filling out your application form, please do not hesitate to contact the Admissions Department Tel: +94-11-2695301/02, +94-11-2123415 Fax: +94-11-2691678 E-mail: foreignadmissions@ugc.ac.lk

14. Application calling date for the academic year 2024/2025 will be 11th August 2025.

15. Closing date for applications for the academic year 2024/2025 will be 01st September 2025.

> **Important:**
> **A scanned copy of the application (in PDF format) including all its attachments should also be forwarded to foreignadmissions@ugc.ac.lk in parallel to sending the hardcopy of the application, on or before the closing date. Failure to send the scanned copy may cause delays in processing your application.**
